

FENCE OF ROSES

One of the pleasing floral sights of Wilmette is the rose fence at the home of Mr. and Mrs. Paul T. Browne, 514 Isabella street. The fence for a distance of thirty or forty feet is one solid mass of perfect blooms and buds. The vines have reached a prodigious growth. They are the "seven sisters" variety of the Dorothy Perkins.

Mr. and Mrs. George E. Ziegler, 506 Sixth street, returned Saturday from a motor trip to Wichita, Kas., where they visited Mrs. Ziegler's parents, Mr. and Mrs. K. E. Thomas.

Annual Dog Show at Airport August 18

North shore dog owners already are discussing the annual Northbrook Dog show, which is to be held at Curtiss-Reynolds airport, Lake avenue and Shermer road, on Sunday, August 18. The show has become one of the outstanding events of its type in this part of the country.

Dogs may be entered in the show, it is explained, merely by sending in the owner's name and the name of the pet and indicating whether the dog is to be in the "open" or "local" class. The dog must be a thoroughbred, but need not have a pedigree or be registered.

Entry blanks and further information concerning the dog show may be obtained by writing to or telephoning Miss Emily Schweitzer, 1241 Waukegan road, Northbrook. The phone number is Northbrook 67.

Nationally known experts on dog breeds will act as judges at the show. Included in the list of judges will be the following: Mrs. W. D. Wilkinson, St. Louis, Mo.; J. R. Mack, Libertyville, Ill.; J. C. Bryant, Battle Creek, Mich.; Dr. B. I. Talbut, Toledo, Ohio; V. Breese, Caldwell, N. J., and Dr. W. E. Redlich, E. W. Bush, A. E. Strauss and B. H. Rosenheim, all of Chicago.

PAY TAXES TO VOTE

Editor, WILMETTE LIFE:

To secure the election of more efficient, honest and responsible politicians, it has been suggested that the right to vote, at any election, be granted to the taxpayer only, as they are the real stockholders of the governmental corporation.

In order to cast his ballot, the tax-paying voter would be required to present to the judges of election, for their inspection, one of his latest and receipted tax bills.

To take care of the voter who pays indirect taxes and cannot produce a receipt for a real estate, personal property, water, garbage removal, automobile, road or special assessment tax, he must pay a \$1 poll tax at the time he registers. This receipted poll tax bill will then entitle him to vote at the next election. The judges of election shall turn into the county treasurer the total poll tax collected with the unissued blanks.

To secure a full and complete expression from these voters, it has been suggested that all elections be held on Sunday, when most voters have ample time and leisure to go to the polls.

To secure competent judges of election, it is suggested they be paid double time up to midnight and then one-half time for Monday. This will assure promptness.

—Respectively submitted, E. R. S.
