

### Christian Science Churches

"Truth" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, July 28.

The golden text was, "Thou hast redeemed me, O Lord God of Truth" (Psalms 31:5).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Blessed are the undefiled in the way, who walk in the law of the Lord. I have chosen the way of truth: thy judgments have I laid before me" (Psalms 119:1, 30).

The lesson-sermon also included the following passages from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The purpose and motive to live aright can be gained now. This point won, you have started as you should. You have begun at the numeration table of Christian Science, and nothing but wrong intention can hinder your advancement. Working and praying with true motives, your Father will open the way. 'Who did hinder you, that ye should not obey the truth?'" (p. 326).

### Announce Exams for Civil Service Jobs

The United States Civil Service commission has announced open competitive examinations as follows:

Specialists in maternal and child health, \$3,800 a year to \$5,600 a year; associate in maternal and child health, \$3,200 a year; assistant in maternal and child health, \$2,600 a year, Children's bureau, Department of Labor. Optional subjects are: Pediatrics, obstetrics, orthopedics and general (maternal and child health).
