Mrs. Lovelace Will Lecture on Bulbs at Garden Center

An illustrated talk on "Bulbs Throughout the Year," will be the program Monday morning at the North Shore Garden center headquarters in Winnetka Community House. Mrs. Walter Lovelace, a member of the Lincolnwood Garden club, which has arranged all September programs at the center, will give the lecture at 10:30 o'clock.

All who are interested in the subject, regardless of membership in any garden group, are urged by the officers of the center to hear the program. As usual, no charge will be made.

O. V. Morgan was this week's speaker, "Garden Lighting" being his subject. Mr. Morgan, who is a horticulturist, is president of the Men's Garden Club of America and head of the Park board of Elmhurst, where he lives. He gave simple demonstrations of using lights in the garden and of lighting the yard for special occasions—the lighting being particularly applicable for either large or small grounds. He also showed his audience how to light up a small pool. His lecture proved to be unusually instructive.

The Evanston Garden club will be responsible for the October programs at the center and announces the following schedule: October 7, "Herbs in Your Garden," Mrs. William C. Evans; October 14, "Delphiniums," Mrs. Charles App; October 21, to be announced later; October 28, "Putting the Garden to Bed," Mrs. Clay M. Baird.

Officers of the center suggest that it is still fine weather to plant grass seed and remind gardeners that the fall is a very important time in the garden, much work being necessary then to insure good bloom the following year.

Mrs. Sidney F. Beech, president of the North Shore Catholic Woman's league, will greet the members at the opening reception of the club, at 2 o'clock Tuesday, October 8, at the Winnetka Woman's club. The hostesses for the day are Mrs. Chester Cleveland and Mrs. F. G. Murbach of Winnetka.

There will be dramatic readings by Mrs. Charles E. Broad, after which tea will be served.

The dessert bridge recently given by Mrs. P. W. Trudeau, chairman of the public welfare department, was held in the garden of her home in Hubbard Woods, where a large number of members and their friends played all through the afternoon. With the initial party on October 7, a fifteen game tournament will start, the game progressive with partner. The committee is eager to have all the members, new and old, interested, the tournament affording special opportunity, its sponsors declare, for new members to become acquainted.
