### The British Lounge Model \$35

We introduce this model for those men who prefer a touch of individuality. It has slightly longer coat, wider lapels, fuller chest and English taper sleeves. But the real secret of this model is in the softly moulded tailoring which provides an easy, loungey "feel" together with rare shape retaining qualities.

## The First Showing ON THE NORTH SHORE

### The California Throw-On \$25

The feature of this model is its informality—a coat that looks nonchalant and feels nonchalant. A coat that slips on and off easily—a knockabout for town or country, for motoring or travel—just a good pal—appropriate for all occasions. What's more, it's a Knit-tex.
