LOOK FOR THE RED WHEEL WHEN YOU BUY A MAGIC CHEF

A BEAUTIFUL Magic Chef gas range for Christmas! What woman wouldn't be thrilled to receive a gift that adds so much to the beauty and convenience of the kitchen—her workshop? It's a gift that says "Merry Christmas" in many ways—every day for many years.

Magic Chef ranges are smartly styled, and complete with all advanced features, including: Red Wheel Oven Regulator; Non-clog Top Burners that light themselves; Grid-pan Broiler; Fully-insulated Oven; Sanitary High Burner Tray; Minute Minder Clock; and other important features.

To the woman, this means freedom from cooking drudgery—more time for rest and leisure—and a more up-to-date kitchen. To the family, it means better-cooked, more delicious meals and savings on foods.

Be a smart Santa Claus this year. Give her a Magic Chef. Each year of ownership will emphasize anew the wisdom of your choice.
