

NATIONAL TEA LEAGUE

Wilmette Alleys

	W.	L.	Pct.
1. Behoff's	18	6	.750
2. Heppler's	15	9	.625
3. Beecher's	10	14	.416
4. Swoda's	5	19	.208

From the above, it is noted that the Behoffs are still holding down first place by a margin of three games. Also, Swoda's team still is in fourth place, having won but five out twenty-four games played. On this basis it appears that this team is doing much poorer bowling than is shown by totals and averages. The figures in this respect show that the teams are more nearly matched than on the basis of games won and lost. Tuesday night Swoda's individual score for three games was 562, the highest in the league for the season. He also had the highest individual single game score for the evening, 191 which he rolled in the first and second games.

Heppler's team won two games from Beecher's but the latter had fifty-nine pins more than the former for the three games.

High team—three games—Behoff's	2,257
Second high team—three games—Behoff's	2,256
High single game—team—Beecher's	795
Second high single game—team—Behoff's	794
High individual—three games—Swoda	562

Eide, Arctic Explorer, Will Address Children

Harold D. Eide, who has spent twenty years in the Arctic, will speak at an assembly at the Joseph Sears school, Kenilworth, at 9 o'clock this Friday morning. His subject will be "In the Shadow of the North Pole." As a young surveyor Mr. Eide helped to build the far north city of Spitzbergen. During the past year he has attained success as a writer of adventure tales for young people.

KENILWORTH GIRL SCOUTS

TROOP NO. 3

We opened the meeting by taking attendance as usual. Then we went outside for a walk. While we were out there we tried to guess the names of different trees. When we came back we sang several songs. Then we began to talk about the idea of filling Christmas stockings for poor children. We decided to do it. Next week we are going to fill the stockings. The meeting was closer by singing "Taps."—Rene Small, scribe.

"Built to Take It"

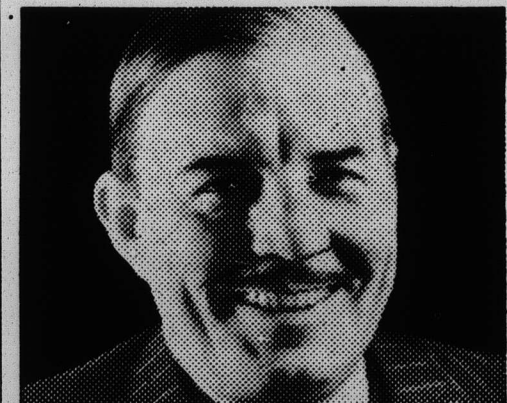

Says Frank Buck,
Famous Explorer

"Trekking" through the jungles has taught me that there is no substitute for ruggedness and dependability in a motor car. For over 20 years Dodge has been famous for these qualities. Everybody knows a Dodge can "take it."

Added to these attributes Dodge has been smashing all economy records—and as for the new 1936 Dodge... there are reports from new Dodge owners all over the country stating they are getting 18 to 24 miles to the gallon of gasoline—and saving up to 20% on oil.

To top it all—this big, new, Money-Saving Dodge has been acclaimed the "Beauty Winner" of 1936 by famous fashion authorities in all parts of the country. Yet Dodge now costs only a few dollars more than the lowest-priced cars.
