

Paul Jones Stalwart on Northwestern Cage Squad

Paul Jones of Wilmette is a candidate for the Northwestern university basketball team which is preparing for a strenuous winter campaign of 20 games. Coach Dutch Lonborg has arranged a heavy practice schedule which includes games with Carleton, Pittsburgh, Michigan State, California, Marquette and two games with Notre Dame.

Jones is a senior guard candidate who possesses one of the best basket eyes on the squad. It was his accurate shooting last year in the Iowa game that nearly turned the tide in the last few minutes of play. However, a back injury kept him from the regular lineup.

This season Jones is back strong and at present is considered one of the leading candidates for guard. He is a cool-headed player who has the necessary experience to bolster a group of underclassmen in a torrid moment.

He is the son of Mrs. Pearle P. Jones, eighth grade mathematics teacher at the Howard school, Wilmette, and a graduate of New Trier High school with the class of 1931.

CLOSED ON HOLIDAYS

For the first time in many years, Field Museum of Natural History will be closed on Christmas and New Year's days, is announced by Stephen C. Simms, director of the museum. This action is being taken to permit as many guards, janitors and other employees as possible to spend these holidays with their families. Only the watchman necessary for safety will remain on duty. Hitherto the museum has remained open every day of the year, including all holidays, but experience has shown that so few visitors come on Christmas and New Year's that closing on those days should cause little if any inconvenience to the public, Mr. Simms stated.

GUIDE-LECTURE TOURS

Next week's guide-lecture tours for the general public at Field Museum of Natural History will begin Monday, December 23, with "Ancient Burials" at 3 o'clock. On other days, at the same hour subjects will be: Tuesday, "Indians of the Southwest," Thursday, a general tour of anthropological, botanical, geological and zoological exhibits; and Friday, "Man Through the Ages." These tours, conducted by staff lecturers, are open to all museum visitors. Parties assemble inside the north entrance. On Wednesday the museum will be closed for the Christmas holiday.

Miss Betty Williams, daughter of Mr. and Mrs. S. A. Williams, 515 Abbotsford road, Kenilworth, will arrive today (Thursday) from Chevy Chase school in Washington, D. C., to spend the holidays at home.

Miss Ann Bayliss, a freshman at Mills college, Oakland, Calif., is coming home Saturday to spend Christmas with her parents, Mr. and Mrs. William G. Bayliss of 610 Central avenue.

Miss Virginia Richards, who attends the Frances Shimer college, Mount Carroll, Ill., will be back tomorrow to pass her vacation with her family, the Benjamin Richards' of 638 Abbotsford road, Kenilworth.

Miss Florence Sellery, daughter of R. A. Sellery, 908 Ashland avenue, who is a junior at the University of Colorado at Boulder, will be home this Saturday for the holidays.
