Homecoming Will Be Held at Arden Shore Next Sunday

Many roads will lead to Arden Shore next Sunday. The annual Homecoming at the camp calls back hundreds of boys, man of them now grown men, from the city, farms and nearby towns. They will come in cars, on trains, bicycles, or on foot, but come they will, if it's at all possible for this cherished occasion. The married "boys" will bring their wives and children, the single ones their sweethearts or mothers to proudly show the place where at one time they were given a helping hand toward achieving sound and decent manhood.

First of all they will greet their beloved camp mother, Miss Anna Belle Ferrier (who will remember every single one of them by name) then seek out old friends among the home-comers and, in the woods and on the beach, renew acquaintance with remembered places. Many will see for the first time the new club house and recreation room completed last year, and plans will be discussed for forming alumni clubs of Arden Shore boys in Chicago.

But while homecoming is primarily a day of reunion for the boys it also presents the finest opportunity of the year for friends and supporters of Arden Shore to see positive proof of the incalculable value of the work done by the boys' winter camp. Hundreds of healthy respectable citizens with the right attitude toward life is indeed a sight to contrast with the dark picture so often presented these days of neglected youth taking the wrong road.

The directors of the Arden Shore association want both old friends and new ones to enjoy the uplifting emotion of homecoming. Unable to send personal invitations to all, they hereby extend a cordial request that everyone interested in boys will come out to the camp, three miles north of Lake Bluff, at 3 o'clock next Sunday afternoon, May 17. Mrs. Harry Sellery, president of the Arden Shore association, will preside. There will be a program of songs and orchestral pieces by the latest crowd of campers and group singing for all. The principal event of the afternoon will be a talk by George Getgood of the Winnetka Community House. The fact that Mr. Getgood is known as "Skipper" all along the north shore gives evidence of the manner in which he takes command of the interest and affections of all boys he meets. He is a great favorite at Arden Shore.

After the program tea will be served by the various committees from the north shore suburbs and Chicago by whose support Arden Shore is maintained. If the day is fine the festivities will take place out of doors under the lovely old trees with which the camp abounds. In case of rain the Administration building will accommodate the crowd.—Contributed.
