## AFTER SCHOOL AT NEW TRIER

Not content with regular academic work at New Trier High school, many of the girl students like to remain after classes to participate in athletic work. Just now their favorites are lacrosse and archery. Upper left, above, a group of girls are seen running onto the field ready for a game. Upper center, Miss Babette Ormsbee leaps high into the air to snag the ball. Upper right, seven archery experts take aim at the target, and, incidentally, at the photographer.

### Leaves Wilmette for Extensive Motor Trip

Mrs. John W. Fisher, Jr., 826 Greenwood avenue, left Tuesday on an extensive motor trip through the east. Her first stop was Lansing where she met a college friend who will accompany her. They will motor to Northampton, arriving there May 23 in time for the May day celebration of the Northampton school for Girls where Mrs. Fisher's daughter, Dorothy, is a student. After visiting in Northampton and South Hadley for a week, Mrs. Fisher will go to Annapolis, where her other daughter, Jeanne, a freshman at Mount Holyoke, will be a guest during the traditional June week. Then Mrs. Fisher and Jeanne plan to spend a week motoring through Virginia, with Williamsburg as their main object of interest, after which they will go back to Northampton and bring Dorothy and her roommate, Miss Jane Greist of New Haven, to Wilmette around the fifteenth of June. On their return trip they plan to visit in Poughkeepsie and Philadelphia.

### BUYS IN EUROPE

After spending three months aboard on a buying trip, James H. Tatman landed in New York Saturday, it was announced by C. H. Crumpacker, manager of Tatman's at 707 Church street, Evanston. While on a similar trip last year, Mr. Tatman visited Italy and the Balkans and the Scandinavian peninsula in addition to other important countries. While in England he was fortunate enough to select a great number of pieces of antique furniture and silver. Many of his most recent purchases have already been received in this country and others will be coming shortly, Mr. Crumpacker said.
