SumaKool Suits

are refreshing in white

\$10.95

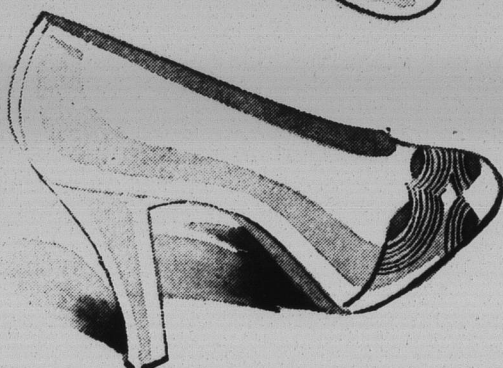

You'll look COOL and you'll be COOL in a SumaKool suit. Moreover SumaKool tailors to perfection and is hard to wrinkle so you'll be a trim figure of fashion throughout the most torrid day. Impeccably tailored, SumaKool suits are single or double breasted with fitted or bi-swing backs—and blessedly inexpensive.

White Felt

tops smart costumes

\$3.95

Choose the up-turned breton and set it jauntily on the back of your head, choose the swagger brim or any one of our many swank white felts—but by all means boast of a white felt or two for your pastels, your prints and your whites.

White Shoes

give you the right footing

\$5 to \$7.75

You'll wear white on your feet the whole day—sport shoes, street shoes, afternoon shoes, evening shoes. And you'll thank us many times over for our grand selection. The white nu-buck sandal is \$5 and the white gabardine pump, \$7.75.
