

Home of the MUSKELLUNGE in the Heart of Wisconsin NORTH WOODS

Fish Pike Lake—headwaters of the South fork of the Flambeau River—the home of game fighting musky and wall-eyed pike. None too old—none too young to enjoy summer in the North Woods. Log cabins with comfortable beds and electric light, with or without bath. Home cooking—finest food. Two miles North of State Highway 70—half way between Fifield on Trunk Highway No. 13, and Minocqua on U. S. Highway No. 51—400 miles from Chicago. Write for rates and road map.

GOLF

Charlie Nash
VERNON COUNTRY CLUB

is open, catering as it has for 15 seasons, to North Shore Golfers who appreciate a Daily Fee course where golf and service compare favorably with the best private clubs.

You might in half a day's travel find a course that is nothing more than a field with 18 tees and holes that sells their golf for all of a quarter less than we do—we don't believe you want that sort of a course . . .

You might easily find a course with nothing more than a shed for a Club House—we don't believe you want that sort of a course . . .

You can find many clubs where they are interested only in selling you a ticket and then allowing you to shift for yourself—we don't believe you want that sort of a course.

If you prefer a rolling, wooded course . . . a modern Club House with every facility . . . unusually good meals and beverages at sensible prices, perfect service and genuine hospitality—then come to

MISHI MOKWA WOODCRAFT CAMP

Harry Worth Hart of Highland Park, director of Mishi Mokwa Woodcraft camp, located just west of Deerfield announces the fifth season from June 18 to August 28.

Mishi Mokwa, for boys and girls from 5 to 12 years, offers two camping plans. The day camp provides activities between 9 a.m. and 5 p.m. Children are called for and returned to their homes daily except Sunday. The full-time camp gives the child every experience of north woods camping in the heart of the north shore.

The camp program is the result of years of experience. It affords every channel for pleasure and benefit. Children learn to think for themselves and to acquire the graces which are essential to social life.

All this accomplished under the skilled eyes of carefully chosen counselors who have a sympathetic understanding for each child's personal problems.

The camp activities are carried out in a setting of unusual beauty. The program includes woodcraft pursuits, Indian lore, nature study, athletics and handicraft.

Mishi Mokwa has unusually complete and modern equipment including boats, canoes, a string of saddle horses, a covered wagon, museum, dining hall and kitchens, fine sleeping quarters and a swimming pool.

Mr. Hart has long been active on the north shore in the realm of athletics and child training. He stated this past week, "I wish every parent knew just how beneficial for each child, yet inexpensive, a summer at Mishi Mokwa is. All the type in the world cannot get across the complete picture. I would like to talk personally to every parent and tell them in my own words about this fine camp."

HEADS CADDY MASTERS

Willard Hand of the Glen View club was elected president of the Chicago District Caddy Masters' club at a meeting held May 18 at the Park Ridge Country club. He succeeds Wendell Hill of Westmoreland. Edward Kline of Northmoor was elected vice-president and Jack Hansen of Medinah, secretary and treasurer.

Women's Tourney Is New Feature at Community Course

The Evanston Community Recreation association, which conducts the Community Golf course along the banks of the Drainage canal in Evanston and Wilmette, is arranging this year for a special tournament for women players. This feature will be in charge of Miss Blossom Cairns, who is the grand secretary of Alpha Chi sorority, residing in Evanston. Thomas Lambert at the starter's house has the full particulars. This will enable the women playing on the course to get acquainted and also create much interest in the playing. Heretofore the women have had no special facilities for a tournament.

The special price for Monday will remain at 25 cents for women golfers.

The Community association is having leveled the green on which the organization started last year to promote bowling-on-the-green playing. This organization last year was able to draw to it a number of people who were interested in this special sport. The green will be in much better shape this year and an effort will be made to enlarge the membership of the Bowling club. The community course now is in excellent shape. The directors had some 45 elm trees planted this year along the tees.

In addition to Special Ladies' Day on Mondays, the directors have arranged for boys of 17 years or under to play Saturday mornings up to noon for 25 cents.

HOME FROM FLORIDA

Mr. and Mrs. Smith William Storey, and their little daughter, Suzann, are again at their home in Kenilworth after an absence of six weeks in Florida. As soon as Suzann had recovered from her illness sufficiently to be taken south the Storeys left for Pass-A-Grille where they took a fishing shack. The salt air and sunshine seem to have improved Suzann's health very greatly.

LADIES' DAY POPULAR

With Mrs. Roy D. Smith named chairman, and Mrs. Seymour Soule serving as co-chairman, the Ladies' Day Golf committee, the Illinois Country club has launched upon its Ladies' Day program. These events, held every Tuesday are very well attended. Last Tuesday more than 150 north shore women played in the Flag tournament and enjoyed a luncheon and afternoon of bridge.

TO WHOM IT MAY CONCERN:

Mr. and Mrs. Woolson have had rich experience in dealing with young people, and are well equipped both temperamentally and technically to meet the problems and needs of boys and girls. With their fine quality and fine background, they have much to contribute to young people.

(Signed) MATTHEW P. GAFFNEY, Superintendent, New Trier High School.

For the convenience of families sending daughters, information will gladly be given regarding camps for boys.
