GREAT DRAMA IS TEATRO'S FILM

"Petrified Forest" Co-Stars Leslie Howard as Futile Artist, With Bette Davis

Powerful drama indeed is "The Petrified Forest," which has been scheduled by Teatro del Lago for this Thursday, Friday, and Saturday. Although its settings are barren and stark, and some of its characters harsh and ugly, its theme is tender and its principal character an idealist making a supreme and gallant gesture.

Leslie Howard, futilely artistic, wanders into a lonely oasis in the Arizona desert, where is Bette Davis who seeks outside interests. Then, as they fall in love, a desperado killer turns the ranch into a fort. Then, willing to sacrifice himself for Bette, Leslie makes a deal with the bandit to assure her protection.

Another Hit

"Follow the Fleet," with Fred Astaire and Ginger Rogers, to be seen on Teatro's screen Sunday, Monday, Tuesday, and Wednesday, is another hit for its co-stars. New Songs, introduced by the film, which the whole country has been singing, include: "Get Thee Behind Me," "We Saw the Sea," "Here Am I," "Let Yourself Go," and "I'm Putting All My Eggs in One Basket."

The story is that of a dancing team, broken by a misunderstanding. Fred Astaire, one of its members, joins the navy, and, returning after a long cruise, discovers his ex-partner, Ginger Rogers, working in a dance hall.

He discovers, too, that he loves her more than ever before. But he accidentally ruins her chances of making a successful audition, and then makes everything all right again by helping her put across a musical comedy on a shoe string. The picture also introduces a new personality to the cinema: Harriet Hilliard.

DENY PERMIT

An Application of R. L. F. Biese-meier, 804 Central avenue, for a permit to subdivide the lot at that address in preparation for the building of a residence on the rear, was denied by the Village board at its meeting Tuesday night. The application had been referred at a previous meeting to the streets and alleys committee, which reported adversely through its chairman, Trustee George F. Iliff.

TO PUT UP SIGNS

Pending the erection of permanent traffic regulation signs by the State Highway department on the state controlled streets of the village—Sheridan road, Main street and Ridge road—the Village board has authorized Village Manager Boyne H. Platt to erect temporary signs. This action was taken to reduce violations and prevent accidents.

For an evening of real enjoyment and fun, try Barney's. Bring your friends and play ping-pong or pool. Lunch at the fountain.

"Thirteen Hours by Air," a Paramount film, is the Varsity's attraction on Monday and Tuesday. On board a plane of which Fred MacMurray is

the pilot, is Joan Bennett, who is hurrying to San Francisco, and Fred Keating, who is determined to stop her at all costs. Other passengers are Brian Donlevy and Alan Baxter who are shadowing one another, and Zasu Pitts, nursemaid to a smart-aleck youngster. When they are forced by a blizzard to make an emergency landing, the bad man of the party starts shooting.

Murder under the big top is the theme of "Charlie Chan at the Circus," the Varsity's attraction next Wednesday and Thursday. In the midst of the freaks, clowns, acrobats and animals Charlie discovers a mystery; solves with unhurried precision.

Man Wanted Here Is Arrested in Racine

Friday the police department at Racine, Wis., notified the Wilmette police department that it was holding in custody one Frank Diller, alias Piller, alias Tiller, thought to be wanted here for distributing obscene letters. Chief Cloyd C. McGuire and Sergeant Herman Vance went to Racine and brought the prisoner, who waived extradition, back here for arraignment. After an examination by Health Commissioner Martin H. Seifert, he was sent to the psychopathic hospital for observation and will be prosecuted later if found sane. For more than a year the local department has been searching for the perpetrator of the crime. A woman detective from Chicago was put on the case, and later a man detective without success. A confession now clears the case.

GOES TO HOSPITAL

Village Treasurer Harry W. Miller was taken to the Evanston hospital Tuesday night by Dr. W. W. Hawkins, suffering from a throat affection induced by a cold with which he has been afflicted. While the case is not thought to be serious, hospitalization was decided upon for observation and care.

"Milky Way" Film at Community Theater

Harold Lloyd is up to new tricks in "The Milky Way," which plays this Friday and Saturday at Community theater.

The spectacled farceur is as always inimitable. As a timid milkman who is pushed into fistic fame when he ducks the blows of the middleweight champion in a brawl, Lloyd gave everybody a splendidly hilarious time.

Two fierce pugilists proceed to try to knock the comedian's block off. In the assortment of footwork that Lloyd uses to escape, every dance step is introduced from the tribal stomp of angered aborigines to the bubble-chasing flutters of Sally Rand.
