

Artist's Bride

Toloff Photo

The marriage of Miss Elinor Tomlinson of Evanston to George Lusk of Wilmette took place Wednesday morning, July 8, at the First Methodist church of Evanston in the presence of the immediate family. Mr. Lusk, well known artist, has taken his bride to the Rocky Mountains where they will be until September.

Tri Delta Alumnae Outline Programs for Coming Year

Talks on such favorite feminine topics as fashions, interior decorating, books and art are included in the program just completed for next year's entertainment of the North Shore Upsilon alliance of Delta Delta Delta.

Mrs. Don C. Sutton, serving for the second successive year as chairman of the program committee, has arranged a series of ten programs to be presented from September to June. In addition to these events, the alliance will follow its usual custom of holding dessert-bridge parties every fourth Friday.

The year will open September 9, with a review of the national biennial convention which was held recently at the Broadmoor, Colorado Springs. The report will be given by Mrs. Rolf J. Ullestad, president, who served as official delegate. After the close of the convention recently she left immediately for the west coast and will spend the rest of the summer visiting relatives in Oakland, San Mateo, Palo Alto and Hollywood, returning just in time for the September meeting.

Miss Kate Metcalf, a member of the alliance, will review a current play October 14, and the annual mothers' and daughters' luncheon is planned by Mrs. Sutton for November 11. Judy Dart, fashion editor for the Chicago American, will speak.

Mrs. C. Glenn Whitlock of Glen Ellyn, a Tri Delta and expert on flower arrangements, will give a talk December 9, on "Flower Arrangements and Table Decorations for the Holiday Season." The new year will begin January 13, with a discussion of "Art for Everyone" by Miss Ethel

Coe, Evanston artist, formerly on the Art institute faculty.

The annual alumnae play is planned for February 10, and a talk on interior decorating is on the schedule for March 10. The speaker will be the interior decorator who is to supervise the redecoration of the Northwestern chapter house this summer.

Two other members of the sorority, Mrs. Mary Earhart Dillon and Mrs. Murray Burklund, will give book reviews April 14, and the approach of the travel season will be marked May 12, with a talk on "Going Places by Air" by a representative of the United Airlines. The season will conclude in June with the annual "pansy breakfast" given in honor of the Northwestern seniors.

Hostess to Matrix Club

Mrs. Everet O. Fontaine of Glencoe entertained the Matrix club of professional writers at an open house and buffet supper recently. Lucy Rogers Hawkins, editor of Matrix, the magazine published by Theta Sigma Phi sorority, was the speaker.
