

Lane's New Star, Jinx, Wins in First Trial at Sheridan Shore

Waage's Skipit Is Victor in Saturday's Race

New stars in the Sheridan Shore Yacht club fleet took the honors in the final race of the Red series sailed Sunday afternoon off Wilmette harbor.

Competing for the first time this season, John W. Lane sailed his newly-launched Jinx to first place, finishing with a four-minute margin ahead of T. E. Mead's Little Audrey, another newcomer to the fleet this summer. Ex-commodore Wesley Bowman crossed the line in third place, less than a half-minute behind Little Audrey.

In the first race of the C series, sailed Saturday afternoon, Tom Waage brought his Skipit home in first place, followed by Little Audrey and Twinkle Ditto, the Hayford-Jones sloop.

Wins Great Lakes Title

Across the lake at St. Joseph, Mich., Lockwood "Woody" Pirie won new honors for the Sheridan Shore fleet as he sailed his speedy Twin Star to victory in the seventh annual Great Lakes star class championship. Twin Star, the week before, won the Sheridan Shore race week series and leads the entire local fleet in points for the season.

Competing against the best boats on the Great Lakes, Pirie won two races in the championship regatta and piled up a total of nineteen points to finish with a two-point margin over three other boats, which tied for second place.

This is the first time that a Chicago boat has won the Great Lakes title since 1929, and as a result of Twin Star's victory the 1937 championship regatta will be sailed at Sheridan Shore. Pirie's boat was towed back from St. Joseph Sunday and the championship trophy is now ornamenting the local club's mantle.
