PUBLIC SCHOOLS TO BEGIN TERMS MONDAY, SEPT. 14

(Continued from page 5)

New children will be registered at nine o'clock on the first morning of school in Mr. Nygaard's office, it was announced.

Primary School

Principal change in the public schools in Wilmette involves changing the Highcrest school, Twenty-Third street and Illinois road, in which eight grades have been taught in four rooms, into a primary school, with kindergarten, first, second, and third grades.

A number of children will be taken from the Arthur H. Howard school, in the lower grades, and sent to the Highcrest school to balance the number of upper grade children being sent from Highcrest to Howard.

The school will serve the Indian Hill estates, Kenilworth Gardens, and Highcrest neighborhoods.

Other primary grades in the village will be located at the Howard school, Spencer avenue and Seventeenth street; the John A. Logan school, Central and Prairie avenues, the Central school, Central avenue and Tenth street, and the Laurel school, Laurel avenue and Seventeenth street. Upper grades will be taught at Howard and Central schools.

The parochial schools of the village announced last week the opening date would be September 8, the Tuesday after Labor day. The announcement was made by the Rev. J. A. Neumann, pastor of St. Joseph's church, whose school is taught by the School Sisters of St. Francis, and by the Rev. Bernard Brady, pastor of St. Francis-Xavier church, whose school is taught by the Sisters of Providence.

AT WASHINGTON ISLAND

Mr. and Mrs. H. G. Basquin of 1516 Spencer avenue returned to Wilmette last week from Washington Island, Wis., where they vacationed for more than two weeks. Mrs. Basquin's sister, Miss Florence Whittington, who has made her home with them for the past year, has returned to Amarillo, Tex.

Dog Quarantine

On order of Governor Henry Horner the state department of agriculture has declared a strict quarantine of all dogs in Cook county. The step was taken as an emergency measure, invoked to put a check on the present epidemic of rabies, which has become alarming.

The order provides that all dogs within the county must be kept in escape-proof enclosures, or restrained by leashes. Enforcement of the order was placed directly upon local authorities of the municipalities.

The Village board at an adjourned meeting recently instructed the police department to strictly enforce the quarantine, and all owners of dogs are hereby notified that the order must be obeyed. It means that dogs cannot be permitted at large, either with or without muzzles, and that they must be confined so securely that they cannot escape. The exercising of dogs except on leash, is prohibited. No evasion of the order will be countenanced.

CLOYD C. McGUIRE,
Chief of Police.
