Seek Park System in Indian Hill Estates at Monday's Meeting

A meeting of the Indian Hill Estates association, of which W. C. Black, 1081 Romona road, is president; A. G. Stanten, 1014 Pontiac road, vice-president, and M. A. Follansbee, 2831 Blackhawk road, secretary-treasurer, held Monday night in the auditorium of Avoca school, was attended by a considerable number of its membership.

A. C. Youngberg, 1004 Hibbard road, appeared before the group and presented for discussion a question of the establishment of a park system for that portion of the village lying west of Ridge road, the western limit of the Wilmette Park district.

The question elicited instant interest, and was the basis for an extended consideration of the advantages to that section of such a system. Without exhausting the subject, a committee composed of members of the organization was appointed by President Black to go farther into the details of the matter and report at a later meeting.

Other matters coming before the group for attention included cooperation with the village board in securing street improvements, public services and other essentials to a maintenance of the high character of the neighborhood. The discussions revealed a fine spirit of helpfulness and civic pride, President Black said, that augurs well for the future of the entire community.

CAMPAIGNER

The election of Henry A. Gardner, 844 Bryant avenue, Winnetka, New Trier Township committeeman, as chairman of the campaign committee of the Cook County Republican Central committee was announced this week at a meeting of the county committee in the Hotel La Salle, Chicago. By Mr. Gardner's election to this important post he will act as spokesman for the party in the county campaign.

While the new chairman is a newcomer to politics, he is well known as a civic leader and is a member of an old Chicago family. He was president of the Chicago Bar association 1934-1935.

Mr. Gardner was graduated from Yale university and Harvard Law school. He has been engaged in the practice of law for 22 years in Chicago. He is married and the father of four children.

His first step in politics occurred last spring when a citizens' group in New Trier Township urged him to run for committeeman. While always a Republican, he never has been identified with any political faction.

Economy Shop

The items for which Economy Shop seems to have had the most calls during the past week seem to be skirts for both women and girls. The skirts, it should be added, do not always have to be in the best of condition, as many of the people who come to the shop are experts with the needle, and seek only to find something out of which they may make an attractive and serviceable garment.

NEXT WEEK SET FOR DEDICATION OF NATATORIUM

Edgar B. Jackson, New Trier Swim Coach for 20 Years, Will Direct Program

Dedication of New Trier High school's \$140,000 natatorium, now being completed, has been set for Friday and Saturday of next week, it was announced yesterday by Matthew Page Gaffney, superintendent.

The dedication will be accompanied by a program which is being arranged by Edgar B. Jackson, member of the physical education department of the school and swimming coach for the past 20 years.

At the same time, it was added, there will be an open house for the general inspection of buildings.

By Ticket Only

The seating capacity of the natatorium, it is estimated, will be about 1,200 persons. Admission will be by ticket only, the distribution being through the school students. There will, however, be no charge for the tickets, it was explained.

As far as possible, admission will be limited to the residents of the township. A special performance will be held for the students beginning at 2:30 o'clock Saturday afternoon, October 17. The adult programs will begin both nights at 8 o'clock.

Wally Colbath and his troupe of swimmers and divers from A Century of Progress will be on hand to perform, as will an aquatic ballet group from the Shawnee Country club under the direction of George Eckert. Members of the ballet will be Mr. Eckert's two daughters, Claudia and Mary, and Polly Krafetter and Jean Solit.

Band Concert

Members of the high school band will give a program. There will be cheers by the leaders and a selected group of students, and high school songs by the combined octets.

A. R. Peterson of Kenilworth, president of the board of education, will deliver the dedication address.

Henry Holquist of Oak Park, state high school diving champion will perform, as will a number of boys and girls from the New Trier swimming teams.

D. Meville Carr, director of life saving of the American Red Cross, will give a Red Cross canoe demonstration.

PWA Grant

The pool, which was completed with the aid of an outright grant of money by the Public Works administration amounting to 45 per cent of the cost, is 75 feet long and 60 feet wide, three times the dimensions of the present pool. To fill it will require about 213,000 gallons of water.

Mr. Peterson and Mr. Gaffney will form a reception committee, and they will be assisted by the other members of the board of education: Mrs. Elizabeth Farwell of Winnetka, John Ballman and Herbert B. Mulford of Wilmette, and Otto R. Barnett of Glencoe.

CAR HIT BY TRAIN

Monday morning a laundry truck driven by Joe Lenzini of Ravinia, was struck by a Chicago, North Shore & Milwaukee train at the Elmwood avenue crossing. The truck was damaged, but no injury resulted to the driver. The railroad maintains a wig-wag signal at the crossing, but without a bell.
