## OFFER "HUCKLEBERRY FINN"

Children's Theatre of Evanston Invites North Shore  
People to Witness Performances November 14

The Children's theatre of Evanston under the direction of Miss Winifred Ward, opens its twelfth season this year with "Huckleberry Finn," a new play by Charlotte Chorpennig, Saturday, November 14, at Nichol's school, 800 Greenleaf street, in Evanston.

The version of "Huckleberry Finn" to be used is the second made by Mrs. Chorpennig from Mark Twain's story, the Goodman theater version having been discarded two years ago in favor of this more compact, swiftly moving new play. Two performances will be given at Nichol's, one at 10 a. m., and the other at 2:30 p. m. The following Saturday, November 21, will find "Huckleberry Finn" at Haven school, on Lincoln street and Prairie avenue, for the two final performances.

### Promise Interesting Season

The Children's theatre season this year promises to be more interesting than ever with Mark Twain's immortal "Huckleberry Finn" followed by "Heidi," a charming dramatization

by Lucille Miller of the well known story of the little Swiss girl. The third production will be none other than "Peter Pan," the story that will never grow old, one of the best loved plays of the English language. "Peter Pan," first produced in the Children's Theatre five years ago, has proved the most popular of all the plays produced, and because of this is being revived this year. There will be one more production to close the season on April 3 and 10, but Miss Ward has not as yet been able to choose one from several equally interesting plays.

### Is Nationally Known

The Evanston Children's theatre, under the sponsorship of the boards of education of both district 75 and 76 in Evanston, by the Parent-Teacher association and by the School of Speech of Northwestern university, has become a nationally known institution, and as such is patronized by all the north shore as well as Evanston. Tickets are on sale at Chandler's in Evanston, Winnetka Community House, or may be obtained by calling Jane Whitacre, Winnetka 3616.

### Studies Abroad

Miss Ward, the director of the Children's theatre, an authority on the subject in this country, has recently returned from a study of the Children's theatres of Russia. She witnessed performances in Moscow and Leningrad, and was interested in seeing the Russian interpretation of "The Emperor's New Clothes," which she has produced several times for the Evanston Children's theatre audiences. It is an interesting side light that in Russia, a land with only the bare necessities, the Government deems the Children's theatre of such a great value that it is state supported.

## Civic Leaguers Hear of Traffic Court Problems

Members and guests of the Wilmette Civic league listened to an inspiring and informative address on the operation of the Chicago traffic court at its meeting Friday. The speaker was Judge John Gutknecht, assigned to that court.

In an able and convincing manner he reviewed his association with the court, and explained in detail why he assumed that traffic violations did not necessarily constitute a crime, and that violators appearing before him were not treated as criminals.

### Favors Driver's License

In the course of his address Judge Gutknecht took occasion to strongly advocate a drivers' license law for Illinois, emphasizing, however, the fact that he was definitely opposed to any makeshift measure. He prophesied that at the coming session of the general assembly no fewer than twenty bills will be presented providing for a drivers' license. These should be rejected, he asserted, in favor of a "standard law," such as is in operation in New York and other states.

President Paul C. Lang launched an innovation by having luncheon served promptly at 12:15 o'clock. He states that this custom will prevail in future.

### Will Hear "G"-Man

The November meeting of the league will be held at Shawnee Country club on the evening of the 20th, at 7 o'clock. This will be a dinner meeting, open to all citizens of the village, men and women. The guest speaker will be D. M. Ladd, special agent of the federal bureau of investigation, who will have for his subject, "The G-Men's War on Crime." Mr. Ladd made a decided hit in a recent appearance before another north shore group, and it is anticipated that the capacity of the club will be taxed to accommodate those who will want to hear him. Reservations, Mr. Lang stated, should be made early.
