CAR RUNS WILD

Sunday evening as Walter Ballard, of Park Ridge, was driving south on Skokie boulevard, his car ran off the road, then swung to the east, plunged across the highway and knocked down a water hydrant. His car was badly wrecked and was towed to a garage. Ballard was arrested on a charge of damaging village property, and released on bond.

CHRISTIAN SCIENCE SERVICES

"Everlasting Punishment" will be the subject at the services in First Church of Christ, Scientist, in Wilmette, Sunday morning, November 1, at 11 o'clock, held in the edifice at 1003 Central avenue. Sunday school will convene at 9:45 o'clock.

Miss Anna Scanzan, an English instructor in the Seattle schools who is on a four months' leave of absence to do some graduate work at the University of Chicago, is spending her week-ends in Wilmette as the guest of Mr. and Mrs. F. W. Burpee of 129 Dupee place.

Little Theatre Group Organizes Social Club

One hundred and seventy-five actors, scene designers, electricians, stage hands, and prop girls, who have taken part in the productions given at the Loyola Community theatre, Chicago's well-known little theatre organization, have banded together to organize a social group known as "The Green Room Guild."

The idea was conceived during rehearsals of George Bernard Shaw's "St. Joan." The suggestion enjoyed such an enthusiastic reception, no time was lost in holding the first meeting last Sunday evening in the theater club room.

Officers elected were: Jack Wellington, president; Ann Wohlleber, vice-president; Kenneth Treacy, treasurer; Frances Burke, recording secretary; Bernard Townsend, corresponding secretary.

The following were appointed heads of their respective committees: Clay Chunn, membership; Viola Berwick, directorial; Charles Riordan, stage design; William Madden, entertainment; Paul Ardesser, historian; Everett Quinn, employment; Mrs. E. O. Brooks, hostess; Frank Wohlleber, host; Ruth Hazel, make-up; Colton Chunn, by-laws.
