NEW TRIER HIGH SCHOOL NEWS

Girls' Club Will Hold Annual Bazaar Dec. 5 at School Mess Hall

(Contributed)

Saturday, December 5, is the big day of the year for the New Trier Girls' club. On this forthcoming date the bi-annual Girls' Club Bazaar is to be held in the New Trier dining hall.

In charge of this large affair are the Girls' club officers and committee chairmen. They are: Jane Krause, president; Peg Stein, vice-president; Kay Wester, secretary; Mary Frauees Badger, treasurer; Julie Booz, chairman of the financial committee; and Katharine Neeves, chairman for publicity committee. Jane Krause announces that already plans are such as to guarantee making this the biggest and best bazaar of any year.

There are to be many novel booths and attractions from which the public may draw. The plaid shirt booth will have shirts of such variety, in color and style, as to intrigue every one. "Grandmother's attic" will have novelties of all kinds which are just what will be desired for Christmas presents.

Becoming Beautiful

How to become even more beautiful will be demonstrated by the beauty expert at the makeup counter where all kinds of makings are for sale. Not even mentioned yet are the music, book and flower booths.

For children there will be a grab bag with an exciting gift for each who draws. The New Trier Follies will be presented during the afternoon showing some of the school's ablest talents. And at all times there may be had refreshments in the tea room from the delectable and doughnut vendors, or at the candy and food booths. In addition to these booths, there will be other attractive features and surprises in store.

The purpose of this bazaar is to raise money for the Girls' Club scholarship fund. This fund is used to help needy girls through college. Every year between four and two girls are in this. The goal has been set for \$900.

Schedule Cage Teams to Meet Alumni Five

Two alumni teams were scheduled to provide the opposition for the New Trier high cage squads Wednesday night of this week on the Gates gym floor in Winnetka. Coach Clyde Grater of the high school varsity was expected to start the same lineup against one of the teams, which played most of the Blue Island game last Friday.

This lineup had Captain Hal Finch and Jack Fitzgerald at forward, John Deacon at center, and Lindsay Bennett and "Swede" Samuelson at guard. The other alumni team was to face a quintet composed of football payers, who have been playing basketball only a week. Two outstanding prospects on this team were Dick Wagner and Dick Reynolds, both grid stars and both mainstays of last year's frosh-soph cage squad.

No information about the alumni squads was definite although the presence of former stars "Goog" Dahl, Henry Thorsen, Russell Baker, Frank Borovicka and Carl Wilson was certain.

New Trier Enters Two Teams in Rifle Match

Both first and second rifle teams at New Trier High school were listed this week in the junior team matches sponsored by the National Rifle association.

Each team, of which there are more than 100 throughout the country, consists of 10 members and fires on its own home range under the supervision of a qualified judge and witnesses. All targets are then forwarded to Washington for official scoring and tabulation and only the five highest targets for each team are included in the official score.

New Trier's first team had a score of 474 out of a possible 500 in the "B" division, while the second team, competing in the "C" division, had a score of 466.

News has picked all star elevens from each of the four leagues, and a big four team composed of the outstanding players from all the sections.

This year, as in the past, the coaches in each school are assisting Daily News sports experts by sending in their nominations for a first and second team from their own league.

Nine pages of stories and pictures compose this section, which is included in every edition of the Thanksgiving issue of the Daily News.

WINS GRID AWARDS

Jarvis Brown of Winnetka has been awarded a numeral and sweater for his work on the freshman football squad at Carroll college, Waukesha, Wis., this season. Frank Koenen of Wilmette was awarded his numeral. Both boys are fine prospects for the Carroll varsity next season.

Mrs. Lincoln C. Torrey, Mrs. Charles Julian, Mrs. Herbert J. Smith of Wilmette, and Mrs. W. B. Moulton of Winnetka motored up to Northfield, Minn., recently to spend a few days at Carleton college, visiting Ellen Jean and Dick Torrey, Dick Julian, Marlis Smith, and Nancy Moulton.

Basketball Team Beats Invaders in Initial Tilt

New Trier's varsity basketball team began its 1936-1937 season last Friday evening when it defeated Blue Island 35 to 10 at Gates gymnasium. The freshman-sophomore team of the Indian Hill school bowed to the invading lightweights, 30 to 21.

Coach Clyde Grater will have available this year only two of last season's letter men: Finch, captain and forward, and Thorsen, guard. In defeating Blue Island, the locals used two complete teams. In addition to the two boys already named, there were Fitzgerald, Nielsen, and Stillman, all at the forward positions. Deacon and McNutry who saw service at center, and Samuel, Bennett, and Clark, who played during the evening at guard.

The alumni were scheduled for Wednesday night of this week, with Dundee at New Trier this Saturday evening. The Suburban league schedule will begin on December 4 with a game with Waukegan High school at Gates gymnasium.
