REAL ESTATE LOANS

4% Will Not Last!

AS INSURANCE COMPANY CORRES-
pondents with direct access to unlim-
ited funds to invest in first mortgages
on good improved properties we urge
you to take advantage of the low in-
terest rates now available and file
your applications for loans before
other forms of investment with higher
yields become more attractive to
lenders.

Until rates advance, we will be pleased
to forward applications to our prin-
cipals for conventional loans at 4%
interest to be disbursed and serviced
by our Evanston office.

A long term loan (without extra serv-
icing charge) up to 65% of conservative
value with small monthly payments
for 12 to 20 years and an option to
prepay without any premium during
the first five years may suit your
need. We make them.

Just now we have a special inquiry for
FHA loans insured up to 80% of
value. These we originate and service
as correspondents of an Approved
Mortgagee under the National Hous-
ing Act.

We do a mortgage business exclusively,
and we will be glad to answer in-
quiries for loans on residences, apart-
ments and business properties, as
well as FHA Loans.

Chicago Stock Show
Begins November 28

Prize herds and flocks from the
four corners of the continent have
arrived in Chicago throughout the
week for the competitions of the
1936 International Live Stock Ex-
position, to be held in the Interna-
tional Amphitheatre at the Chicago
Stock Yards November 28 to Decem-
ber 5.

The best purebred farm animals
from the far west will compete with
those from the eastern states; and
Texas herds will be matched in com-
petition with Canadian entries. Offi-
cials of the show announce that their
prediction that the total number of
animals would exceed 13,000 head
has been realized.

Horses Number 1,000

Horses will number nearly a thou-
sand, of which 642, from 14 states
and Quebec, will represent the five
draft breeds. Over 350 horses and
ponies will compete in the evening
Horse Shows, says O. T. Henkle,
chairman of the International Horse
Show committee. They are the pick
of the leading stables of the United
States and Canada.

Purebred Shorthorn cattle will be
shown by breeders from 16 states
and Ontario. Herefords will come
from 14 states and Alberta, Aber-
deen-Angus cattle from 17 states and
Ontario, Dairy Shorthorns from 10
states and Quebec, and Polled Short-
horns from 10 states

Swine breeders from 11 states will
contribute the largest showing of
barrows that has been made here in
recent years. Seven breeds will be
exhibited.
