

# University of Wisconsin Alumni Here to Hold Founder's Day Fete

**Dinner, Entertainment, Broadcast Are Features**

Chicago alumni of the University of Wisconsin will observe Founder's day at a dinner meeting Saturday, February 6, at 7 o'clock, at the Swedish club, 1258 N. LaSalle street. The dinner will be one of many throughout the country as alumni clubs gather for the coast-to-coast broadcast in honor of President-emeritus Edward A. Birge, who is now 85 years old and still active as a scientist.

The program for the Chicago clubs, as announced by the respective presidents, James D. Peterson of Wilmette and Mrs. O. E. Burns of Rogers Park, is as follows:

A smorgasbord dinner, dramatic sketches by Zellner, community singing led by Bill Ross, the half-hour national broadcast, and dancing by Gladys Bezazian. Following the dinner and program there will be social dancing and cards.

**NBC Broadcast**

The blue network of NBC will carry the broadcast at 9:30 p.m. On the program will be the Wisconsin band, the Glee club, Don Ameche from Hollywood, Harry E. Bullis, president of the Wisconsin Alumni association from Minneapolis, Coach Stuhldreher, and other celebrities. Chicago alumni will present William E. Drips, agricultural director for NBC and head of the Farm and Home hour, and George Haight, well known attorney. These two will present a skit about the founding of the university. Mr. Haight's grandfather gave some of the land on which the university now stands.

Zellner, U.W. '24, will present a series of protean characterizations from fiction, history, and the Bible with originality and distinction. His costume changes average only 20 seconds, and the Faust-Mephistopheles transformation, for instance, is made almost instantaneously. Scene follows scene with a fluid rhythm and freedom from effort. The special stage settings are in keeping with the splendor of the characterizations.

**Well Known Artist**

Mr. Zellner was a member of the Players club at Madison and has been a professional for eight years, appearing on the Orpheum circuit and in theaters everywhere.

Miss Bezazian, Wisconsin ex'23 and Northwestern '26, studied under Margaret H'Doubler at Wisconsin, nationally known teacher of creative dancing, and under Margaret Schultz Kranz, Wisconsin '18, at Northwestern. She was a member of Orchesis, national dance organization at Wisconsin and helped organize the Northwestern group. She has arranged musical settings for dance poetry, composed a waltz for Orchesis and other dance music, and made many platform appearances.

**Widely Traveled Dancer**

She has been associated with the Sara Strauss School of the Dance for three years and has toured New England with Ed Wynn's company. Last summer she danced with the Boston Symphony. Her work for National Tours has taken her as far as Haiti and Venezuela. In Florida she has appeared at Bouche's Villa Venice. New York appearances have included recitals at the Barbizon club and the Women's Graduate club of Columbia university.

Reservations for the Wisconsin dinner are requested in advance, though not necessary. They should be made through Mrs. Ralph Bohn, 1112 Austin street, Evanston, or Mrs. O. E. Burns, 1737 Chase avenue, Chi-

**EXECUTIVE**

Myron T. Harshaw, 1173 Asbury avenue, Hubbard Woods, prominent advertising agency executive, has joined the Chicago office of Campbell-Ewald company. Mr. Harshaw had been associated with Erwin, Wasey and company.

## Invite Villagers to Hotel Motor Salon

North shore motorists will hail the new era of automobile transportation — streamlined beauty of mechanical perfection — when the fourteenth annual Motor Salon is opened to the public Saturday, February 13, for a nine-day showing in the Edgewater Beach hotel.

The masterpieces of every American auto manufacturer—colorful and shiny new 1937 models featuring the very latest improvements—will be parked in dazzling array about the luxurious lobbies, lounges and passaggio of the hotel. Admission is free.

In keeping with the current boom of the automobile industry, the exhibit constitutes the largest Motor Salon in history. Many models of twenty-three different manufacturers, with several new features and in a few instances new models not seen in the November show, are on view. Snappy roadsters, capable of speeds over 100 miles an hour, are prepared to vie for the public eye with beautiful sedans, coupes and swanky limousines.

The show will provide, in some instances, the first glimpse of every recent engineering improvements the makers are offering for 1937. Cut-away working models will demonstrate the last word in steering safety, comfort, economy, brakes and the newest method of independent wheel suspension.

**BAHA'I LECTURE**

"God's Man to Man" is the subject on which Albert Windust will speak at the Sunday afternoon lecture in Foundation hall, Baha'i Universal House of Worship at Linden avenue and Sheridan road, Wilmette, on February 7, at 3:30 o'clock.

Chicago, or James D. Peterson, 10 S. LaSalle, Chicago. Alumni and their friends are invited to attend.
