### Christian Science Churches

"Love" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 31.

The Golden Text was, "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing" (Zephaniah 3:17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "O God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land where no water is; To see thy power and thy glory, so as I have seen thee in the sanctuary. Because thy loving kindness is better than life, my lips shall praise thee" (Psalms 63:1-3).

The Lesson-Sermon also included the following passages from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "People go into ecstasies over the sense of a corporeal Jehovah, though with scarcely a spark of love in their hearts; yet God is Love, and without

Love, God immortality cannot appear . . . Mortals believe in a finite personal God; while God is infinite Love, which must be unlimited" (p. 312).

## Chicago Gets Champion Table Tennis Tournament

The Illinois State table tennis championship, a major event of Middle West table tennis, will be held February 19 and 20, at the Hotel Sherman, officials of the Illinois Table Tennis association announced this week. The event returns to Chi-

cago for the first time in three years, having been held in Rockford last year, and in Evanston in 1935. The tournament, this year, will be open to players from all states, and officials predict that it will bring together all the leading table tennis stars of the middle west.

### JOINS GARRICK PLAYERS

Alfred Brown, son of Mr. and Mrs. Howard Brown, 1513 Highland avenue, Wilmette, was among the group recently initiated into the Garrick club, little theater group of Lake

Forest college. The Garrick club is now in its thirty-first year at Lake Forest having produced two plays already this year with "The Barretts of Wimpole Street" scheduled for February 24 and 25. To achieve membership in the Garrick club is a mark of real dramatic ability, and it is the goal of all those engaged in speech work at Lake Forest college.

Mrs. Alex S. Joslin of 240 Essex road, Kenilworth, was hostess to the members of her book club for luncheon Tuesday.
