

Invite Catholic Club Members to Study Class

An enthusiastic group of members of the Woman's Catholic Club of Wilmette has been attending the Catholic Action Study group which is meeting every two weeks as a project of the civics department of the club. Mrs. Henry G. Dalton is hostess each time, and the next meeting will be Monday, April 12, at 1 o'clock at her home, 1029 Chestnut avenue.

Miss Margaret Hayes will give a talk on "The Library Movement in Catholic Action." All members of the club are urged to attend the meeting. Miss Hayes has formed a little library and dispenses Catholic literature and Catholic Action publications.

This study class formed after the lectures by Mrs. Gertrude C. Lieber on parliamentary procedure and current events were finished.

In Club Recital

Richard Czerwonky, eminent violinist and composer, assisted by Edwin Karhu, pianist, will appear in a recital at 8:15 o'clock Friday, April 16, by the Lambda Chi Alpha club at the chapter house at Northwestern university.
