BOY SCOUT NEWS

GAMES COURSE

Robert W. Townley, veteran scoutmaster and physical education director of Kenilworth school is leading a specialization course of instruction in games and game leadership for the scoutmasters and other leaders of the North Shore Area council. The first session was held in the Joseph Sears School gymnasium last Monday evening and there were about forty scouters present.

The course will include in its three sessions various kinds of games that can be used by scout leaders in their troop meetings. Mr. Townley, or "Bob," as he is known everywhere is having the men play the games themselves and there is the minimum of talk and a maximum of action. The next two meetings will be held in the same place next Monday evening and the following Monday. All scout leaders are invited to attend.

SECTION MEETING

Meetings of the four sectional Camp-O-Ree committees are being held this week for the purpose of settling certain details of the sectional Camp-O-Rees to be held in four locations in the North Shore Area council the last two weeks in May. The Camp-O-Rees are inter-patrol camping competitions in which scout patrols try to attain a high standard of patrol camping without the direction of the scoutmaster on the grounds. The council Camp-O-Ree will be held on the week-end of June 5 and 6 at the forest preserve at the county line between Glencoe and Highland Park.

RECEIVE AWARDS

At two courts of honor last week, one in Wilmette and one in Winnetka, the following Scouts received many awards which they had earned during the past several weeks.

In Winnetka the court was in charge of the leaders of Troops 18 and 24. Bill Kurtz and Robert Mehren are the Scoutmasters of the two troops respectively. In Wilmette the Roosevelt Troop 2 was in charge with Harold Spinney, Scoutmaster, and Karl Yost, troop committee man, sharing the responsibilities.
