### Fresh-Soph Diamond Squad Gets Slapped Down by Oak Parkers

By Woody Wilson

After getting off to a flying start with a 15 to 1 defeat of Evanston New Trier fresh-soph baseball team was set back on its heels, 7 to 4, by Oak Park Monday.

Nine Oak Park hits were counted from the offerings of "Chick" Bell and "Lefty" Davis. True, some of these hits were largely of the "Bloopy" variety, yet neither moundman really merited a win.

Inability to get the ball past a snappy Oak Park infield caused most of the New Trier misery. First baseman Coe of the foe had eleven of the locals' 21 outs.

Gottfried "Sandy" Sandvig, indicated that he might start Davis on the hill as number one hurler, should Bell be unable to return to form. Both will see action in the scheduled doubleheader at New Trier Saturday against Proviso.

### New Trier Baseball Squad Will Play Six Games in Nine Days

By Woody Wilson

New Trier prepared to face one of the most strenuous periods of baseball that any gray-green team ever encountered when, with four league wins under their belts, they were "digging in" for six games in nine days. Oak Park was a 6 to 4 victim on Monday at Phelps field.

Thursday of this week the squad was to have engaged Amundsen high school. Loyola academy will provide the opposition on Friday afternoon. On Saturday morning Proviso battles New Trier for a share of the Suburban league loop lead. All these games are to be played at New Trier.

Undefeated thus far, the Triermen will have their work cut out for them in the Proviso fracas. Ed Bruhn is expected to do the twirling that day, and the Big Boy should be able to halt the not-too-potent bats of the enemy.

### Leads Team

George "Ace" Glover is to pitch the Friday game, while Jake Thompson was nominated for duty against Amundsen. The latter two may be reserved, however.

Fred Kasper now leads the team batting with a sizzling .583 average. He has had five hits in the last two contests. Shortstop Art Cruttenden is next in line, swinging at .420 clip.

A fact which pleased Clyde Grater, coach, no end, was the sudden coming-to-life of the hitherto only passable outfielders. Ned Smith and Ken Herman have hit before but not at all consistently. Bill Driscoll has been almost helpless with the flail. Monday all three whaled the helpless apple for five solid safeties among them. Herman banged a long home run down the foul line for one of his two hits.

### Brace of Hits

Driscoll had a brace of bingles, and should this rejuvenation be a lasting one, added scoring punch will make the Trevians even more dangerous at the plate than previous opponents have found them.

A large measure of the success attending New Trier's efforts have been due to the superior pitching of Bruhn, Glover and Thompson. For example, no earned runs were scored against Ed, Monday, Oak Park garnering just four hits. Effective receiving by Dave Skillen has aided these boys a great deal.
