Baptist Church

Rev. George D. Allison, pastor

"Lost Horizon" is the subject of Dr. Allison's message next Sunday morning, suggested by the inspiring and thought-provoking motion picture having that title. The Wilmette Masonic lodge has accepted an invitation to attend, in their annual St. John's Day observance. Newcomers in Wilmette and other visitors are most cordially invited. The service begins at 11 o'clock.

Church boards and organizations have completed a good year, and are now all organized in anticipation of the new season next fall. The Religious Education committee elected J. D. Dingle as chairman, and Mrs. E. O. Anderson as secretary. Plans for the coming school year were thoroughly discussed and changes voted.

During July, and on August 1, this church is happy to welcome the members of First Congregational church to our annual summer fellowship. Dr. John G. Hindley will preach during July. Beginning August 8, the services will be held in the Congregational sanctuary. Both groups enjoy this interchange very much.

Young people are reminded of our Chicago Baptist assembly at Lake Geneva, July 25 to August 1. There is a splendid program for the high school organizations, and a coordinate program for older young people. Nearby we have our Baptist Boys' and Girls' camp for those of grammar school age. Full particulars at the church, Sunday.

We rejoice to be able to complete the repayment of funds advanced this church by the Baptist denomination at the time of our church building enterprise. The money will be put to work building an-

other church in the Chicago area. The first mortgage has also been reduced to \$9,000, and subscriptions are being taken to cancel this by May 1, 1938, our Twenty-fifth anniversary.

Congratulations to all of our graduates, local, high school and college. It is indeed Commencement time for youth. Your church offers you a field of continued education and enlarging service to the Kingdom of God.
