Softball Leagues

SLOW PITCHING

As the second week of the official games in the slow pitching soft ball league began there was a slight improvement in the brand of ball exhibited. Each team had its share of bugaboo errors, however, the evening's entertainment was for the most part amusing.

The youthful Ridge Runners easily did away with the more mature and stiff jointed Greenwood-Shawnee team 13 to 9.

The Publix Cleaners ten stalwarts held a tutoring class as they showed a brand new team, the Pandas, how this ball game should be played. The score was 21 to 6 in favor of the Publix Cleaners. It would be well for fans to watch this team. Its power and drive should keep it close to the top.

W. W. L. took its second game of the season by rallying in the last

three more medal winners, Jack Benson, John Bauer, and Jack McQuide.

The bottom row shows, left, the start of the class "E" boys 50 yard dash, and the right hand view is another of the class "D" girls ready for the start.
