

## 20 Years Ago Wilmette

July 5, 1917

More than 500 books had been collected within a week for the Y. M. C. A. reading room at Great Lakes.

A "Junior Village" had been incorporated for the purpose of assisting regularly constituted authorities in controlling and governing the Wilmette Playground. It included a "Village board," police chief, president and board of trustees and other offices, all filled by boys and girls from 8 to 16 years of age. Ordinances were passed and violators penalized.

Having responded splendidly to the national appeal to raise vegetables in the home gardens, villagers were wondering what they were to do with the crops. Lessons were being given in canning and preserving surpluses.

A roster of Wilmette boys registered under the draft and subject to call on July 16, contained approximately 425 names.

The marriage of George White Traver of Kenilworth and Miss Elsie Jane Erickson of Chicago was recorded.

The young married set indulged in a dinner dance at a popular Glenview resort. The party included Mr. and Mrs. Charles Sanford Clarke, Mr. and Mrs. Robert Rickson, Mr. and Mrs. Roy Thompson, Mr. and Mrs. Robert Tansill, Mr. and Mrs. Frank Baker, Mr. and Mrs. George Bird, Mr. and Mrs. Jacob B. Greiner, and Mr. and Mrs. E. Jackson Casse.

## 10 Years Ago

July 8, 1927

Wilmette State bank had passed the \$3,000,000 mark in deposits.

The appropriation ordinance, passed by the Village board, provided for an expenditure of \$217,400 to keep the municipal house running.

Petitions were presented to the Village board asking for sewer and water improvements in the section west of Ridge road which was annexed to Wilmette in 1926.

Captain Brautigam of the Wilmette police department and Frank P. Blair, a villager, saved Hans Nelson of Chicago from drowning in the drainage canal between Maple and Linden avenues.

Kenilworth installed "stop and go"

lights at Kenilworth avenue and Sheridan road.

New Trier High school had an enrollment of 681 for the summer session.

Dwight W. Chapman, Jr., 900 Elmwood avenue, an honor graduate of Harvard, had received appointment as a Sheldon Fellow in Travel, which provided for a year of travel or study in Europe.

"Girls ahead of boys in use of tongues, scientists assert," read a prominent headline. (Comment unnecessary.)

Kenilworth and Wilmette both reported successful and highly enjoyable celebrations of the Fourth of July.

### WEEK-END

The Ellis family, Mr. and Mrs. William H. Ellis, Bob and Bill, and the Misses Katherine, Frances, and Betty, 823 Greenwood avenue, spent the week-end holidays at their summer home at Waupaca, Wis. Mr. and Mrs. Harding VanSchaack of 2907 Lake avenue and their two daughters, Betty and Sue, accompanied them. Mrs. VanSchaack is the former Helen Ellis.

## GELSEMIUM

By D. S. Lyman

Lyman Pharmacy

You may know the names and certain of the reactions of many drugs but unless you have mastered the entire curriculum of a college of medicine or that of a school of pharmacy your knowledge is scarcely less than worthless.

Only a doctor of medicine is capable of determining when and how any drug or combination of drugs should be administered for human ailments. Diagnosis of symptoms reveals the treatment necessary.

For instance, the drug headlining this article is used to mitigate certain neuralgic conditions but unless a doctor has found that gelsemium is indicated and prescribes, the amount of the drug, the vehicle to carry it and the dosage, it is extremely unwise to attempt its use. And the same advice applies to all drugs.

Let a doctor, who knows, do the prescribing and a capable druggist fill the prescription. Then you will not be taking chances.
