**Lions Clubs to View
Noted Skate Artists
in Show at Coliseum**

A mid-summer ice carnival extravaganza featuring the U. S. champion, Maribel Vinson, Bobbie McLean, professional speed skater, Adele Inge, 10-year old acrobatic skating sensation, LeMaire and Reynolds, international skating team, those comedians of the ice, James Bourke and Red Kelly, and Ted Cave of Vancouver, B. C., will perform during the two and a half hour program at the Chicago Coliseum this month as part of the four-day international convention program of the Lions clubs.

"This ice revue will be fully the equal of any of the winter performances from the standpoint of talent," estimates Frank Lyon, the producer of the revue. The setting will be brilliantly decorated with the flags of the eight nations in Lionism, and a complete Swiss chalet will occupy one end of the arena.

The amphitheater will also be one of the coolest spots in the city on July 22 at which time the doors will open to the attending Lions members. The engineering feat of keeping a large sheet of ice frozen solid over a three-hour period when outside temperatures may range between 80 and 100 degrees, will keep the arena cool.
