## Races Attract Many Passers-by at Vattman Park

Friday afternoon, September 3, sounds of shouting and cheering from the vicinity of Vattman park caused those passing by to stop and discover the cause of this noise. The races were taking place.

In spite of the warm weather everyone was anxious to try his speed skill. The first event to take place were the obstacle relays. Hurdling over large card board cartons with any degree of speed took a great deal of skill as well as watchfulness. Due to the keen competition of the runners, many succeeded in jumping into the boxes rather than over them, causing much merriment to the onlookers.

Other events which took place were the 50 yard dash, backward relay, wheelbarrow race, lame dog race, three legged race, and bicycle races.

The bicycle race which proved to be the most fun for both entrants and onlookers was the slow race. The winner was the person who could reach the goal last without losing his balance or touching his foot to the ground.

Winners of the events were as follows:

25 Yard Dash, Junior Boys: 1. James Ramsey, 2. Robert Coats, 3. Donald Herbon.

Junior Girls: 1. Barbara Walther, 2. Susan Rodder, 3. Georgia Arns.

### Director Searching for Picture Talent

Hollywood's farthest-flung talent quest is being conducted by Director Mitchell Leisen for Paramount's forthcoming "Big Broadcast of 1938."

Leisen is combining business with pleasure on a trip abroad following completion of the Jean Arthur-Edward Arnold picture, "Easy Living." In London he will confer with the celebrated opera star, Kirsten Flagstad, who will make her motion picture debut in "The Big Broadcast," and will attend the Music Festival in Salzburg, Austria, in search of additional talent.

"The Big Broadcast" will mark the screen return of W. C. Fields following an illness of nearly a year. Others in the cast will be George Burns and Gracie Allen, Martha Raye, Ben Blue, Shirley Ross and Dorothy Lamour.

#### CAN'T GET AWAY

Gail Patrick has had to decline an invitation she received to appear as a guest at the Texas Centennial because of her current picture schedule requiring her time in Hollywood.
