A summer swing session at Skokie Country club will bring the club year of the Junior auxiliary of the Woman's Club of Wilmette to a close. The juniors will gather Saturday evening, June 25, for the last time until fall. Mrs. Quintin Crawford, vice-president and chairman in charge of the event, announces that, weather permitting, dancing will take place beneath lantern-decked trees. Supper will be served at 12:30 o'clock.

Dinner for Classmates

Miss Jean Kerwin, 321 Leicester road, Kenilworth, gave a dinner and lawn party Wednesday of last week for about thirty-seven classmates with whom she was graduated last week from St. Francis Xavier school. She is the daughter of Mr. and Mrs. Thomas F. Kerwin.

Hostess to Club

Mrs. Charles Broad recently entertained the members of the Rosary club, Decade 1, at her home in Wilmette. The club was much interested

in hearing news of its missionary, for, as one of the group of Techny clubs, it aids a missionary who is working in war-torn China.
