Great 1938 Edition

## GOOD YEAR G-3 ALL-WEATHER

Year after year — for 23 consecutive years — Goodyears have outsold any other make of tire. And . . . the 1938 edition of this famous "G-3" All-Weather is winning more new friends. They appreciate the improved tread for longer non-skid wear, the plies of Supertwist Cord, which give maximum blowout and bruise resistance — refinements which meet 1938 driving needs.

## Pro-Amateur Tourney Will Be Held Monday

Glencoe Golf club will be the scene of a pro-amateur tournament starting at 1:30 o'clock next Monday afternoon. Each pro will be entitled to bring either one, two or three amateurs with him, and Jim Gourlay, pro at the Glencoe course, says he is expecting a fine turnout.

There will be no charge to see this tournament, Jim says, and he is certain those who do attend will witness some good golf.

These tournaments are under the auspices of the Illinois Professional Golfers association.

## Four Famed Golfers to Match Prowess as Aid for Hadley Blind Work

Scores of north shore golfers who are looking forward to the coming golf match at North Shore Country club in which Dick Metz and Cy Laffoon, undefeated international team champions, will match their prowess against two strong contenders in the persons of Tommy Armour and Johnny Revolta, have been following with keen interest the work of these outstanding players in recent tournaments.

Revolta won the St. Paul open last week and the Illinois Professional Golfers association tournament Monday of this week, with Metz second; Laffoon third and Armour sixth.

The big match in which these four players will participate at the North Shore Country club course, will be Sunday afternoon, August 28. The players are donating their services and the club is furnishing the course, that the entire proceeds may go to the benefit of the Hadley Correspondence School for the blind.

The advance ticket sale is now on throughout the North Shore, and the Chicago area, as well.
