

## Democratic Group Sponsors Carnival; Proceeds to Charity

A Labor Day Carnival commencing Saturday, September 3, and continuing through September 4 and 5, will be conducted by the New Trier Democratic organization at Willow road and Skokie boulevard, in Northfield.

In addition to the many rides, games and other attractions there will be dancing every night.

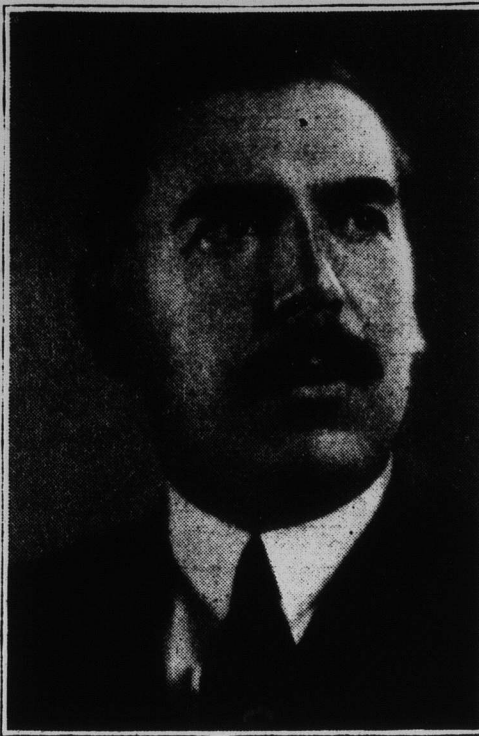

During the three days a softball elimination tournament will reveal the "North Shore Champions" who will receive as their reward a beautiful engraved trophy.

For several years the Democratic organization, under the leadership

of Thomas J. Lynch, has distributed Christmas baskets, milk for children and many other necessities for families in need, which expense, this year, will be borne by the proceeds from this carnival.

The largest gathering ever assembled on the North Shore is anticipated and nothing has been spared to provide for the utmost in fun and entertainment, it is stated.

The forty-two committeemen present at a meeting of the New Trier Democratic association last week at the home of George H. Kriete, 325 Oxford road, Kenilworth, unanimously elected Harry Roberts, of Winnetka, as president of the organization; Eugene Mueller, of Wilmette, vice-president, and William Merrill, of Winnetka, general chairman of the three-day carnival.

### Studies Subway Plans

Joshua D'Esposito, 111 Linden avenue, Wilmette, has been appointed as a member of a committee of engineers to study plans for a government-financed subway system for Chicago by Secretary of the Interior Harold L. Ickes, head of the Public Works administration. de Gueldre Photo

## Wilmette Harbor Will Be Scene of Star Boat Races

Great Lakes and Sheridan Shore Club Championships to Be Determined Next Week

Championships in the star boat class for the Great Lakes as well as for the Sheridan Shore Yacht club will be determined in the series of races which will begin Sunday and Monday at Wilmette harbor.

Two boats from each of the star fleets on the Great Lakes will race in the series which will begin next Monday morning and which will continue until Friday. There will be 14 to 20 boats in this division.

Technically, the Illinois Valley Yacht club of Peoria, last year's title holder, is host club, but the race was transferred to Wilmette because of better racing facilities.

During next week's afternoons, beginning on Sunday and ending on the following Saturday, Sheridan Shore club will have its own race week. Up for competition are the Valspar prizes and the Lockwood Pirie trophy.

### New High Mark

It was expected that the high record of 48 entries last year would be exceeded this time and that Commodore George A. Correy of the Mahasset Bay Yacht club would again be the guest of the Sheridan Shore club. Commodore Correy was the first owner of a star boat and still carries the number one numeral on his boat's sails.

There are to be large delegations from yacht clubs in Michigan, Ohio, and Southern Illinois as well as those nearby. Jackson Park, Columbia, and Belmont will combine to compose one squadron, Wilmette harbor will be a second, and Milwaukee a third.

Those in charge include A. W. Friskie, Jr., commodore; John T. Pirie, chairman of race week; W. B. Ellis, social chairman for race week; E. W. Lane, prize chairman; and Gordon Jones, race and regatta chairman.

There are to be three prizes for each day's racing, and no boat, under the rules, it was announced, may win more than one first, second, or third prize. There will be 5 major prizes for the week and 15 other smaller ones.

For the several championship races, the Coast Guard vessels, the "Rush" and the U. S. C. G. 119 will act as patrol vessels.

## Kenilworth Men Have a Long Swim to Shore

Don Kimball, 333 Leicester road, and George Woodland, 336 Leicester road, Kenilworth, were forced to swim about a mile to shore, Wednesday of last week, after their speed boat capsized in rough water off the Maple street beach, in Winnetka.

Their plight was seen from the beach and they were aided by Lifeguards Brewster Adams and Sam Vernon.

Thoroughly chilled after their long immersion in the cold water, they were given first aid treatment at the beach house.

## Commander-Elect to Be Delegate at Rockford

Edward Drewes, newly-elected commander of the Wilmette post of the American Legion, will represent the organization next week at the state convention in Rockford.

Dr. and Mrs. Paul Bass, 2115 Chestnut avenue, have as their guest for two weeks Mrs. Bass' cousin, Miss Orma Harding of New York. For the past six weeks Dr. and Mrs. Bass entertained his sister, Miss Myrtle Bass, who has returned to her home in Olney, Ill.
