### Scholarship

Bernie Photo

Word has been received that Wellesley college has awarded a scholarship to Beverly Andrews, 194 Lake street, Glencoe, who graduated from New Trier High school last June.

Miss Andrews' high school freshman year was spent at Science Hill school, one of the oldest preparatory schools for girls in the West (founded 1825), at Shelbyville, Ky., where she was president of her class.

At New Trier she was on the honor roll during each of her three years, and as a senior was elected to the Honor society and TNT. She played first violin in the school orchestra and was a member of the Senior Music club. During the past year she was in charge of girls' basketball, and played not only in that sport but in hockey, lacrosse, and baseball as well. An excellent swimmer, she passed all the tests for the American Red Cross senior life-saving certificate two or three years before reaching the minimum age for its award, which she now holds.

Miss Andrews conducted the GAA Notes column in the New Trier News during her senior year, was a frequent contributor to Inklings and a member of Scriblerus. At commencement she received one of the Williams literary awards.

She and her sister, Enid Jane, who graduated from New Trier a year ago and attended Stephens college last year, are visiting in California and are expected home September 3.

## Wesley Bradburns on Vacation in Canada

Mr. and Mrs. Wesley Bradburn of Wilmette are motoring in the East and in Canada. They have visited Detroit, taken the boat from Buffalo, spent several days in Chautauqua, New York, and Hamilton, Canada. While at Hamilton they were the soloists at St. Giles United church of Canada, where their cousin, Edgar Boyce, is organist and director of music. Last Sunday they spent at Napanee, Canada, where they were also soloists. This week they plan to spend in visiting the Thousand Islands in the St. Lawrence river.

### TOUR IN CANADA

Their other daughter, Donna Jeanne, who accompanied them, has remained in Detour, Mich., to visit relatives for three weeks.
