BALL GAME

More than 150 children attended the Cubs game last Monday at Wrigley field. The event was sponsored by the Wilmette Playground and Recreation Board and is an annual feature of their planned programs.

Two-buses took the children from Vattman park to the home of the Cubs. Each group of twenty youngsters was supervised by one of the park instructors.

Will Stay Open

Wilmette playgrounds will not close this week, it was announced by Daniel M. Davis, director of Wilmette recreation.

Mr. Davis states that the point system program will terminate this week but the parks will run on their regular schedules until school begins in September.

Billy Stade played a study match of four rounds to come out on top in the Vattman park croquet Tourney held this week at that park under the direction of the Wilmette playground and recreation board.

Billy eliminated Kenneth Mac-Cowan in the first bracket while Enio Amici beat Freddy Koerber in the outside bracket. Amici closely matched Slade until the final wicket when his pole shot went wide of the
