

## Committees Confer on Infant Welfare Advertising Sales

Not even mid-summer, with all its vacation pleasures, can cause a halt in the work program of the Junior auxiliary of the Evanston Center of the Infant Welfare society.

With typical mid-winter enthusiasm the entire board is assisting in directing the advertising sales campaign for the rotogravure section of a metropolitan daily, which is to be the group's principal benefit project this year. Meetings are being held on regular schedule to check up on progress of the sales, the most recent of which was set for Tuesday afternoon at 1:30 at the home of Mrs. Hubert A. Downey in Evanston.

Mrs. Downey heads one of the sales committees and has invited members of other committees, headed by Mrs. E. Mann Hartlett, Mrs. Gordon Canning, Mrs. Charles Bunnell and Mrs. Joseph Corcoran, to meet with her group to discuss new advertising prospects and to outline a continued sales program.

The campaign received added impetus recently with the return of the general co-chairman, Mrs. George Paddock, after an early-summer trip abroad with her husband and son. Taking over direction of the campaign from the assistants who have carried on in her absence, Mrs. Paddock called her committee together for a recent conference at Mrs. Henry Platt, Jr.'s, home in Evanston. Mrs. Rawleigh Warner came down from her Lake Geneva summer home for the meeting, and other committee members who took part in the discussion were Mrs. Platt, Mrs. Thomas Clark, Mrs. Hubert Downey, Mrs. Charles Bunnell, Miss Phyllis Pank, and Mrs. John Eliot Warner.

Honors as best salesman so far were given to Mrs. Leslie Jones, who has turned in more inches than any other member.

## Hostess Today

This morning (Thursday) all of the committee chairmen in charge of plans for the annual fashion show and tea under auspices of the Winnetka board of Northwestern University settlement, met at the home of their general chairman, Mrs. Austin Jenner of 1005 Hill road, Winnetka. This fall's event, taking place in the gymnasium of New Trier High school Wednesday afternoon, September 28, is to be the most ambitious one yet staged.
