Christian Science Churches

"Adam and Fallen Man" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, November 6.

The golden text was, "He that is of the earth is earthly, and speaketh of the earth: he that cometh from heaven is above all" (John 3:31).

Among the citations which comprised the lesson-sermon was the following from the Bible: "In the beginning God created the heaven and the earth. And God said, Let us make man in our image, after our likeness: So God created man in his own image, in the image of God created he him: And God saw every thing that he had made, and, behold, it was very good" (Gen. 1:1, 26, 27, 31).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "With a single command, Mind had made man, both male and female. How then could a material organization become the basis of man? How could the non-intelligent become the medium of Mind, and error be the enunciator of Truth? Matter is not the reflection of Spirit, yet God is reflected in all His creation" (P.524).
