Land Use Survey Is Subject for Civic Luncheon

**Harland Bartholomew Speaker This
Friday; Invite All Villagers to
Attend**

The Wilmette Civic league will hold its monthly luncheon meeting tomorrow (Friday), November 18, in the English room of Field's downtown retail store. Luncheon will be served at 12:15, and it is stated that reservations will not be necessary, as preparations for a large number have been made.

The speaker on this occasion will be Harland Bartholomew of Harland Bartholomew and Associates, which concern during the past summer has made a land use survey of the entire village as an aid to the Village board in preparing a new zoning ordinance. Following the address an opportunity will be given those present to ask questions pertinent to the proposed zoning ordinance, and to express their sentiments on zoning restrictions and regulations.

Sequel to May Meeting

This meeting, it is stated, should have an especial interest for every property owner in the village. It ties up closely with the meeting held by the league at the Stolp school on last May 16, at which Robert Kingery of Winnetka, president of the Chicago Regional Planning association, spoke on the necessity of long-time planning and the benefits of liberalized zoning ordinances.

In again presenting the topic of zoning for discussion, the Civic league is being commended by villagers interested in the problem. It comes at an opportune time, for the proposed zoning ordinance is almost ready for presentation, and the results of the land use survey will give more complete information on which to judge the merits of the proposed legislation.

Complicated Subject

Zoning, it is asserted, is at best a complicated subject, and this discussion should serve to clarify many angles of the subject which have presented real problems to officials striving to protect the property rights of real estate owners without infringing upon the rights of the village as a whole. For this reason, it is added, the meeting should attract villagers in large numbers.

This Week's Cover

At the approach of the Thanksgiving season, our thoughts turn to the source of the harvest yield—The Farm—so aptly depicted in this photographic reproduction. This view was taken west of Winnetka by Evan Leslie Ellis, 401 Tenth street, Wilmette, advertising executive for a large Chicago mercantile concern.

Thanksgiving Message

The Rev. Erskine M. Jeffords, who started his pastorate at the Wilmette Parish Methodist church recently, will preach the sermon at Union Thanksgiving services to be held in the Wilmette Baptist church Thanksgiving morning, November 24, at 10:30 o'clock. His subject will be, "Thanks Living." Mathew Francis Photo

Make Plea for Warm Clothing for Needy

The Mothers' club of St. Joseph's Parish Catholic church, which is operating the Thrift Shop at 415½ Fourth street during November, is emphasizing the acute need for winter clothing for men, women and children.

The suggestion is made that villagers make a thorough search of closets for any articles of apparel not required by their families, and send them to the Thrift Shop for the benefit of those in need.

Household articles and furniture are also needed. The funds derived from the sale of these articles at nominal prices is used for charitable purposes.

The Mothers' club is anxious to provide for as many needy people as possible before extreme cold weather comes, and will appreciate donations.

Mallinckrodt Mothers' Club Plans Card Party

Under the management of the outgoing president of the Mallinckrodt Mothers' club, Mrs. J. Hartmann, and the newly-elected president, Mrs. O. Schuetz of Chicago, the first social activity of the season—a Fall Card party—will take place at the Mallinckrodt auditorium Friday, November 18, at 8 p.m. At the close of the party refreshments will be served, with the seniors and juniors of the school acting as hostesses. The other newly-elected officers are: Mrs. P. Hillinger, vice-president; Mrs. F. Curran, secretary; Mrs. W. Kirby, treasurer; and Mrs. J. Duffy and Mrs. A. Klein, social chairmen.

New Pastor to Be Speaker at Union Service

The Rev. Erskine Jeffords, who assumed the pastorate of the Wilmette Parish Methodist church recently, will preach the sermon at Union Thanksgiving services to be held in the Wilmette Baptist church Thursday morning, November 24, at 10:30 o'clock. His subject will be "Thanks Living."

This annual community worship is sponsored by the Protestant churches in the village and is of one hour duration.

All residents of the village are invited to attend this community worship.

Garden Lovers, Beware! This Cow Likes Flowers

Monday morning Mrs. E. N. Warner, 2483 Pomona lane, complained to the police that a stray cow was eating her flowers. Officers William Schmidt and Matthew Schwall were detailed to round up the cow with the aristocratic taste and remove her hence. They learned that the animal belonged to Eleanore B. Reinwald, 614 Illinois road, who sent a boy to take her home.

Famous Vienna Choir Boys Will Be Heard Sunday

**Give Program for Sunday Evening
Club at High School; Moderate
Admission Charge**

Residents of New Trier township villages are to be included among those to have the good fortune to hear the Vienna Choir Boys, now engaged upon their seventh tour of the United States.

These youthful choristers will give the program at the New Trier Sunday Evening club November 20 in New Trier High school gymnasium.

For this unusual program it will be necessary to make a modest charge for admission, Sunday Evening club leaders point out. All other programs of the club this season, with the exception of the Cosack Chorus program which inaugurated the current year, are open to the public without charge.

Founded in 1498

The Vienna Choir Boys is a unique organization in that it was founded in 1498 by the Emperor Maximilian. Through the centuries it has maintained its reputation as the most perfect boy choir.

Year after year, a replenished choir (for voices change) under the finest technical supervision in Vienna, occupies a memorable place on the programs of musical courses, and civic and cultural organizations throughout the nation.

A prominent critic has said of this group:

"There is something unearthly in the rare quality and sweetness of these boy voices."

The program offered by the choir ranges from sacred songs to costume opera and folk-songs.

Reopen Registration at Village Clerk's Office

Wilmette citizens who failed to register and therefore were unable to vote at the election last week, now have a chance to redeem their right of franchise. Village Clerk Nicholas P. Miller states that, beginning on Tuesday, November 15, 1938, and continuing on each business day thereafter until Tuesday, January 17, 1939, he will receive, at his office in the village hall, applications for registration, cancellations due to removal from the precinct, or changes of address within the precinct.

Early Deadline

Because of the Thanksgiving holiday, Thursday, November 24, the deadline for all news and advertising matter for next week's issue of WILMETTE LIFE will be next Monday at 5 p.m. The co-operation of news contributors and advertisers in this connection will be sincerely appreciated.
