Winter Sports Season Opens in Northwoods; Special Train Service

Get set for Chicago & North Western's winter season of 1938-'39 in the great North Woods of Wisconsin, Peninsular Michigan and Minnesota.

Train schedules are ready and all expense tours are listed for what is expected to be a banner season. The season officially begins December 22, but if the weatherman arrives earlier on the scene with snow and ice, the season will start earlier. It will continue up into March and longer if the proper weather conditions prevail.

There are fourteen regions this season on the North Western's winter sports program. Spots where the ice and snow fan may enjoy himself this winter are:

Ashland, Devils Lake, Duluth, Eagle River, Ironwood, Ishpeming, La Crosse, Lake Delton, Lake Geneva, Land O'Lakes, Marquette, Phelps, Rhinelander and Williams Bay.

Devils Lake, Williams Bay and Lake Geneva will be the terminals of Snow Trains to be operated on Sundays during the season. Here one may enjoy all varieties of winter sports. The other points are on the list for all-expense trips of from two to six days, and will offer the sports fan everything from skiing to skating — tobogganing, snow shoeing, sleigh riding and mushing.

Modern hotels, lodges and cottages are to be found at all places and

promise to give the visitor his full money's worth of recreation.

To assist the winter sports fan in keeping posted on the outlook in these regions the North Western is preparing to issue daily bulletins on the skiing conditions, the depth of snow, the temperature and the weather conditions. This information will be available to travel bureaus, information bureaus, ticket offices, newspapers and all other sources where travel originates. North Western patrons will also be served this information in the Chicago passenger terminal, where a large bulletin board will be placed, bearing the daily information on snow and weather.

Peter Gilbert Member of Language Fraternity

Peter Gilbert, 554 Brier street, Kenilworth, was one of the eight students recently initiated into the Northwestern university chapter of Phi Iota Sigma, national honorary fraternity for students of romance languages. Induction ceremonies took place at the home of Professor Edwin Place, teacher of romance languages at the university. Mr. Gilbert, a graduate of New Trier Township High school, is a senior in Northwestern's school of liberal arts.

RETURNS FOR HOLIDAYS

Lowell Peterson, son of Mr. and Mrs. S. M. Peterson, 231 Seventeenth street, Wilmette, is expected home from Dartmouth college Saturday of this week to spend the Christmas holidays.

North Shore Girls in Recent College Play

Four girls from the North Shore, Doris Jean Hargis and Zuzanne Zimmerman of Wilmette, Jane Frankland of Winnetka and Margarita Thompson of Hubbard Woods, took part in the Stephens College theater's recent production of "Alice in Wonderland." The girls, all leaders in drama activities at Stephens, were selected for the cast by Miss Maude Adams, from a score of girls who tried out for the parts. Miss Adams, stage star of a generation ago and now professor of drama at Stephens college, directed the drama, Eva LeGallienne's adaptation of Lewis Carroll's story.

FRESHMAN CAGERS

William McIndoo, 295 Greenwood avenue, Glencoe, and William Normoyle, 360 Gregory avenue, Wilmette, have succeeded in gaining positions on the freshman basketball team at Monmouth college. They were selected by the coach from among a large group of freshmen

who participated in the pre-season tryouts. The freshman team will play a number of scrimmage games with the varsity and then will play a series of four games with freshman teams of other colleges.
