## New Trier's Swimmers Overwhelm Crane Tech.

Twin victory number two was stowed away by the New Trier High school swimming squads last Saturday night, when they overwhelmingly licked Crane Tech's representatives.

The squads were to swim against Morton, in Cicero, Thursday of this week. Edgar B. Jackson's charges then have a long rest, swinging once more into action January 13, after school classes are resumed.

### PONIES TRAMPLE OAK PARK QUINT

Unorthodox Attack Has Western Suburb's Lads Woozy as Locals Win, 34 to 30

A completely unorthodox New Trier High school fresh-soph basketball team trampled Oak Park, Friday, 34 to 30. Not that winning the game was unorthodox—it was the manner in which it was done that had the Parker ponies woozy.

Robert Ream, coach, has taught his boys a long-passing method of play that has thus far thrown all opposing teams off balance, just as it did Oak Park, even though the latter team had a really smooth combination that looked most effective in the opening minutes of the game.

Some of those lengthy throws go astray; quite a few did in the last fracas, but still they serve the purpose of drawing wide the enemy defense, and of keeping them constantly guessing. Sitting on the bench at Oak Park, it was an education to watch the confident, efficient workmanship of the Parkers gradually slow down, falter several times, and then, in bewildered uncertainty as to just what procedure to follow, crumble completely for a couple of minutes at a time. Just long enough to get the Trier boys out in front.

Good Teamwork Aids

With Bob Cleveland pretty well sewed up, Sonny Benson, with the aid of plenty of good teamwork, took the opportunity to sink 7 baskets and a charity toss for a 15-point total.

Pete Kreer, left sharp-shooting basketeer, was good for 10 markers. Three field goals and a gift fling figured for him.

Accuracy in free-throwing tells the actual story. New Trier missed five while counting eight. King, meanwhile, was the only member of the Parker outfit who was successful in this department. He rang four out of five. His teammates failed on the other 10, which was fortunate for the local lads, who had out-fouled the foemen, 13-7.

Oak Park Delt a 32-24 loss to New Trier in the varsity basketball game a week ago, at Oak Park. The grey and green encounters Waukegan Friday evening, in Winnetka. It will be the first Suburban league contest of the season at the local gym.

It was a story of just too much speed and experience against Clyde Grater's men at Oak Park. The Warmbold, Lussow, Esser passing combination ran up an 11 to 1 lead in the initial frame, and slowed down to a gallop only at infrequent intervals thereafter, although New Trier chalked up 9 good ones in the following quarter, holding their opponents to four in the meantime.

Oscar "Ocky" Jorgenson was the snappiest Trevian on the floor, with Jack Long running a close second. It was the fast style of play, in which these fellows are at their best. Other members of the team found themselves just a little bit behind the pace.

Colorful, Dangerous

North Shore cage fans await the Waukegan game with added interest because the northerners will have colorful, dangerous Otto Graham doing duty for them. Otto, one of the really better athletes of the circuit, was selected for the mythical all-suburban football squad this fall, and even though he will be ineligible for competition a greater portion of the basketball season, he may well be mentioned for high honors in this sport.

#### MUSIC CLUB MEETS

The Senior Music club held a meeting Thursday at the home of Bruce Carlson in Winnetka.

in room 311. A travelogue on Germany, which was illustrated with motion pictures, was given by Mr. Semb, a representative of the German railroads. After the talk, the meeting adjourned to the faculty dining room where refreshments were served and German Christmas carols were sung.

#### IN COLLEGE PLAY

Miss Bobette Ormsbee, daughter of Mrs. D. W. Ormsbee, formerly of Wilmette, but now of Chicago, has been selected for an important part in the I Club Varsity show at Illinois college, Jacksonville. The show, "Ten Nights in a Barroom," will be given in the college gym shortly before the Christmas holidays. This is Miss Ormsbee's second appearance this year, her first having been in a one-act melodrama, "Fireman, Save My Child." This was one of three plays presented by the Hilltop Players and has also been given to out-of-town audiences.
