The handicraft classes at the Community Center are still growing, according to Daniel M. Davis, director of recreation. Not only is this department crowded with boys and girls every afternoon but quite a number of the older boys are working on leathercraft every evening and are turning out many beautiful wallets and coin purses.

In rug weaving the looms are busy and several women are waiting for looms so that the prospect is that this department will be busy throughout the winter.

There are now eighteen boys enrolled in the aeroplane class. Several have finished small models and are now starting on larger ones. It looks as though we have several embryo aero engineers in our midst.

Christmas Carols

Tuesday afternoon, December 20, will be devoted to the singing of Christmas carols. All of the boys and girls enrolled at the center are invited to take part in this seasonal activity. A large group has been rehearsing carols for the past three weeks so that we are looking forward to a very pleasant afternoon.

Costume Party

The girls' gym class, made up of girls from the seventh and eighth grades, meets each Thursday evening at the Howard school gym. The costume party last Thursday evening was given for the fathers and mothers of the girls of this class. All told 104 were present. The party started with a grand march, followed by musical games, athletic games and contests, relay races and a shoe scramble. Refreshments were served. Many of the girls baked the cakes which they donated.

Social Dancing Club

Vincent Weis' orchestra furnished the music for the first club dance which was held at the Community Center Friday evening, Dec. 2. This proved to be a very popular affair. Everyone mentioned the good time they had. The Social Dancing club deserves a great deal of credit for the way this dance was handled. The hall was attractively decorated in a very gay fashion. Refreshments were served.

The Social Dancing club will have charge of all of the Friday night dances at the Community Center. This club has just elected the following officers. Bob Brookloss, president; Howard Bohnen, vice-president; Doris White, secretary and Merle Carlson, treasurer. The following committees have been appointed: decoration, Olive Carlson, Bernard Reagan, and Howard Bohnen; refreshments, Mary Jane Stefens, Frank Braun, and Jim Schnell; tickets, Bob Romer, Bob Rudd, and Art Thalmann; publicity, Eddie Kruiesant, Jim Schnell, and Francis Schneider.

The next function of the Social

Dancing club will be the Christmas dance and party which will be held at the Community Center Friday evening, December 16, the music starting at 8:30 o'clock.

Table Tennis

The final match of the Community Center Table Tennis tournament was played last Wednesday evening. The finalists were Ed Fritch and Pete Heymann. This interesting match attracted a large gallery and was won by Ed Fritch who took three games to one for Heymann. The score was 21 to 17, 21 to 12, 8 to 21, and 21 to 17. Herman Fruendlich, president of the Center Table Tennis club, acted as referee and Carleton Prouty was the score keeper. Peter Heymann gave the winner a hard battle all of the way, but Fritch's steady playing was more effective. This tournament has created a lot of interest in Table Tennis at the Center and is one of the reasons why the boys and girls are keeping this department busy every afternoon and evening. The mixed doubles tournament is progressing nicely. The date for the final match will be announced later.

BASKETBALL LEAGUES

The Hornets 44 to 5 win over the Willies in the Playground and Recreation board "E" Basketball league gave them undisputed possession of the top of the heap in the team standings. The Hornets have won all their games so far, while the Imps, 'till last week's games a co-holder of first place, bowed to the Eagles 27 to 21. This Eagles victory and the win by the Dumoc over W. W. L. makes a three way tie for second place honors.

The Bobcats pushed the Grouchos out of a share of first place in the "C" league by defeating them 31 to 20. Bill Cloud was too fast for the Hills boys to watch and scored 17 points for his team.

Bob Lawerance's Demons went to town to a 40 to 29 defeat at the hands of the Hawkeyes, though Nash Dowdle, a new guard for the Demons, was high point man with 7 baskets to his credit.

Flashes Amass High Score

The Flashes ran rampant over Inga's X to the tune of 55 to 29. Art Youngberg of the Flashes made a basket most every time he let go of the ball, scoring 11 baskets and two free throws to account for 24 of his team's points.

The Super Stars took a 37 to 36 game from the Cornhuskers to go into first place in the "D" league competition. The Huskers were leading at the half 22 to 12, but during the second half of the game the Super Stars showed their staying qualities to make 12 baskets to six for their opponents.

Jim Gregory's 33 points led the way to a 63 to 28 victory for the Tigers over the Wildcats. This win took the Tigers out of the no win class with a bang, and Bob Noble's boys expect to continue the good work.

The Minus' came out on the small end of a 29 to 13 score in their game with the Blowouts. George Arns of the Blowouts again was

The Wilmette Playground and Recreation board will operate two skating rinks this winter, according to Director Daniel M. Davis.

The Village Green rink will be operated as usual. The other rink will be at Stolp school grounds, which will replace the rink at the foot of Greenleaf avenue this winter.

The Evanston Municipal Golf association which controls the property at the foot of Greenleaf avenue, has requested that the rink be discontinued at that location.
