

Taking Time Out

Ackermann Photo

Taking time out during rehearsals for St. Augustine's minstrel-revue are Jacqueline George, Carol Specht and Randolph McCandlish gathered around the concert grand piano watching and listening to Allan Stahl, accompanist. Both piano and electric organ are to be used as accompanying instruments to the 50 voice chorus of the production which is to be presented Friday evening, April 14, at the Wilmette Woman's club.

School Band, Orchestra Will Give Program Next Tuesday

The orchestra and band of the Wilmette public schools will be presented in the annual spring concert next Tuesday evening at 8 o'clock at the Howard school auditorium.

The program this year will be made up entirely of band and orchestra selections and will not include small instrumental ensembles as it did last year. A program of ensemble music will be presented at a later date.

The orchestra and band ensembles include students from the Howard, Stolp, Central, and Logan schools. The band was organized last year by Arian Delander and now numbers 55.
