ing the plan of government. But most important, there was an atmosphere of efficiency that pervaded the whole place. A pamphlet was courteously offered, the "Report of the Village Manager, Winnetka, Illinois, Fiscal Year ending, March 31, 1938." A quotation from the second paragraph is important ".....is a Village Council composed of the Village President and six Trustees, and serving without pay."

Now facts are facts and truth is truth no matter who states them and no matter whether the writer of the above facts is a ditch-digger or a sea captain or merely

—A Citizen of Wilmette.

REPLY TO MR. COLLYER

Editor, WILMETTE LIFE:

Replying to the letter of Frank P. Collyer in your issue of last week in which he seeks to show that the Harmony convention does not favor the village manager plan, his attention is directed to the fact that every platform of the convention previous to 1939 has declared its allegiance to that method of conducting the village business. Mr. Dubbs was elected on that platform once, and Mr. Kinne, twice.

For Mr. Collyer's further information: The Harmony convention is a permanent and continuous institution, and its established policies, of which support of the village manager plan is one, are not reiterated in each election platform. For instance, it would be ludicrous for it to now include a plank favoring a waterwork. We already have one.

Mr. Collyer wants to know who favors the village manager plan, and whom they represent. The group is so large that space will not permit mentioning names, and it represents a great number of civic-minded and forward-looking villagers. Last week's issue of WILMETTE LIFE gives an indication.

—C. E. Drayer.

Wilmette Girl Wins Chicago Meet Event

Beatrice Bishop of the Stolp school Wilmette, daughter of Mr. and Mrs. Glenn A. Bishop, 315 Maple avenue, won the fifty-yard dash for junior girls in a meet held last Saturday at the University of Chicago. She has been long noted for her marvelous running at school events, but her sterling performance against practised amateurs proved her true superiority. Her form and speed were watched and approved by none other than Evelyn Hall, the Olympic Champion, who invited Beatrice to run on her relay team, the Hurricanes. Looks like there's another Olympic prospect in Wilmette.

Coast Guard Officer To Address Navy Club

Commander Gordon Whiting MacLean, chief of staff at the United States Coast Guard headquarters in Chicago, will be the speaker at the Navy club of Evanston on Tuesday evening of next week at 8 o'clock at the sun room of the North Shore hotel. There will be also shown sound movies of actual rescue work and other activities of the "Rescuers of the Deep."

Polo Debut

Eugene C. Bauer, Jr., 515 Kenilworth avenue, Kenilworth, former University of Illinois polo star, made his debut in the big league this season.

Mr. Bauer is now playing on the Chicago Shamrock team, composed of W. J. Schmidt, Captain William Everett, and Mr. Bauer, riding in the order named. The Shamrocks have won the western elimination polo tournament, Sherman cup class, in the 124th field artillery armory.

They recently went to New York and will represent the west in the low goal division of the national championship.

half-cleaned

Give your oil paintings the same care you give your walls and woodwork!

You will be amazed at the difference when you have your oil paintings cleaned and restored. They not only look better, but they last longer.
