

Kenilworth League Of Women Voters Ends Regular Term

Elect Mrs. Ardis M. Kennedy President Upon Resignation of Mrs. Warren

A one-o'clock luncheon followed by an open board-meeting combined the regular monthly meeting of the Kenilworth League of Women Voters with the usual board-meeting. Mrs. Edwin C. Tukey and Mrs. Bentley G. McCloud acted as hostesses. Mrs. Robert Warren president, presided. This occasion finished the active work of the group for this year, although some of the department chairmen still have meetings to attend in Chicago.

With the resignation of Mrs. Warren as president, this vacancy was filled by the election of Mrs. A. M. Kennedy. All remaining officers will serve for another year. These include: Mrs. Gilbert Kelly as vice-president, Mrs. Frederick Kilner as secretary, Miss Caroline Harris as treasurer.

Following the annual report of the treasurer, a long list of new members was presented by the membership chairman, Mrs. Walter J. Stephens. Mrs. Harry Weese gave her report on publications sales.

Interesting reports were given by the following department chairmen on the work and study accomplished during the year; for government and child welfare, Mrs. G. I. Bell; government and economic welfare, Mrs. Edwin Van Horne; government and education, Mrs. E. L. Nygaard; government and legal status of women, Mrs. John Leimert; government and its operation, Mrs. A. M. Kennedy; government and foreign policy, Mrs. A. D. Rich.

Two study-groups have been very successful. One of these studied the neutrality law and the South American situation as related to the United States, and the other studied conditions as they exist in many phases in Kenilworth. Some of these included education, elections, form of government, tax-rates and parks.
