Mrs. Hartshorne continues to enjoy good health and, up to a very few years ago, regularly walked to the Hubbard Woods business district to do her shopping.

Her hearing is somewhat impaired, but her vision is good, and, without the aid of glasses, reads her Bible, daily. She is jovial and happy, and few, if any of the family are looking forward to the coming birthday anniversary with greater interest than the venerable celebrant, herself.

## Collector Hale Again Reminds Of Penalties

### Collections to Date Behind Last Year; Second Installment Is Now Due

Tax Collector Sanborn Hale who is now in the midst of the collection of the second installment of the 1938 real estate taxes, this week announced that he expects to be able to handle all collections up to and including August 26.

Since starting the collection August 1, he had received, up to Tuesday morning, \$187,550.37, which is still slightly behind the collection for a similar period last year, he said.

Taxpayers were again reminded that payment to the local collector enables a prompt distribution of the funds to the various taxing bodies, and hope was expressed that those who have not paid, will do so before he has to return the books.

The penalty on all unpaid taxes will be in effect after September 1. It will be one per cent on the second installment of the 1938 real estate taxes; 4 per cent on the first installment and also 4 per cent on all delinquent personal property taxes.

Mr. Hale said he will be glad to assist all tax payers in receiving their receipts for these payments.
