"Re-Renovation" Bridge to Aid Sandwich Shop

Hail but not by any means farewell—in point of fact greetings and all other forms of salutations from that redoubtable committee of Sandwich Shop celebrity and risible renown! For on Wednesday August 30, at the Woman's Club of Wilmette there will be given a "re-renovation" dessert bridge party (we say re-renovation advisedly for we have to give another party not only to complete the decoration but also to complete the payment!) under the guidance of Lizzie Freeman and Peggy Storms (in charge of prizes) Lottie McClure (in charge of nourishment—not too much—and liquids) Trudy Ackermann, treasurer, Gyla Lang and Beckie Fitch (circulation of tickets) Gracie Christophel, Doris Van Winkle, and Gracie Fitz.

Aiding the above committee in the comprehensive circulation of tickets and (we are nothing if not honest) other forms of work are Ethel Altman, Florence Huggins, Etta Kirtley, Gertrude Keller, Jessie Robb, Hazel Stanten, and Helen Willis.

Not only will there be table prizes and other prizes, but there will be surprise prizes to add to the merriment of the faithful who attend. If you wish a rollicking afternoon of amusement or a place to give your guests royal entertainment at the most informal of informal of bridge parties, place Wednesday, August 30, on your calendar for a date.

Keeps Her Promise And Gives Party On 101st Birthday

At her one-hundredth birthday anniversary last year, Mrs. Aura Lathrop Fouts promised friends and relatives that she would entertain them again at a party the following year. Her prophecy came true last Sunday, when relatives came to honor her at her one-hundred-first birthday celebration.

There were not many out-of-town guests present, but many people came from the vicinity. Her son and daughter-in-law, Mr. and Mrs. G. E. Fouts, with whom she lives at 530 Greenleaf avenue, and her granddaughter and greatgrandson, Mrs. H. H. Gary and George Edwin Gary, of Wilmette, were also present. Other relatives came from Rogers Park for the occasion.

Mrs. Fouts, who was born in Windsor, Ohio, August 13, 1838, is probably the oldest resident, in point of age, in Wilmette. She has been here 28 years. She is in excellent health, and told her guests Sunday night that she hoped she would be running around for another year, so that she could have another birthday party.

Flower Show Will Feature Ideas for Home Arrangements

On Saturday, August 19, flower lovers will be following the arrows that lead the way to the Northmoor Country club on Green Bay road in Highland Park to attend the annual Flower show of the North Shore Garden club.

The flower show committee has tried particularly this year to select classes of arrangements that would be suitable for the home. A piano arrangement with gladioli predominating is most appropriate for this season of the year, while an arrangement of yellow in a metal container and foliage in a corner or wall washstand should be of general interest.

"Whether you are planning a breakfast for two, or a luncheon table for six, you certainly will see a variety of ideas; while the hostess serving a buffet supper for twelve or more is sure to get some pointers," the committee emphasizes.

The entrants of specimen blooms, both annual and perennial, have had ideal weather conditions during the past few days to assure a magnificent display. Entries, which are open to all, are pouring in rapidly and can be made through Thursday, August 17, by getting in touch with Mrs. James H. Freudenthal, 616 Crescent court, Highland Park, chairman of the flower show committee.

Ribbon awards will be made in all classes. The show will be from 2 to 6, and tickets can be purchased at the door. "Be sure to plan to see the finest in flowers and flower arrangements next Saturday," the committee urges.

Mail Kappa Directory At Next Board Meeting

Mrs. Edwin M. Hadley, Jr., 629 Kimball road, Highland Park, will open her home Friday, August 25, for a meeting and tea for members of the board of the Kappa Kappa Gamma Alumnae association from 2 until 5 o'clock.

At that meeting plans will be discussed further for the coming year, and members of the board will assist Mrs. W. F. Soule, corresponding secretary, with the addressing and mailing of the new directory to be sent to every Kappa alumna on the North Shore. It will be a calendar of the 1939-40 meetings and contains the names of all committees.

Mrs. Hadley is president of the North Shore Kappa Kappa Gamma Alumnae association.

Progressive Luncheon

Mrs. Harry Porter, Jr., 1806 Elmwood avenue, was the guest of honor last Friday at a progressive luncheon of the Birthday club. Hostesses for the various courses were Mrs. Porter, Mrs. Ralph Finnegan, Mrs. A. J. Linn, and Mrs. F. J. Kerrigan.
