Safety Slants

By the Illinois
 Automobile Club

Death has the upper hand again! After twenty consecutive months in which the nation's traffic accident toll showed encouraging declines, drivers and pedestrians return once more to old habits—habits that mean death and destruction. The national traffic toll has slipped from a 19 per cent reduction last year to an actual increase in the first six months of 1939. Returns for the month of June, the latest available, show that 2,330 people were killed on streets and highways—and that doesn't include the heaviest vacation months. Don't slip any farther. Death must not keep the "upper hand!"

Be safety minded—not blinded!

Importance of Courtesy: Traffic experts constantly remind us that the underlying cause of many tragic accidents is a discourteous action on the part of someone. Granting right-of-way, allowing a pedestrian to cross the street—these and many other small but important acts of courtesy are daily saving lives. August 27 to September 2—one full week—has been proclaimed "Courtesy Week" in Illinois. Do your bit! "Courtesy saves lives!"

Rural Accidents Increase: Highways are unsafe ways. Speed is one

Wildcat Gridders to Encounter Stiff Opposition This Season

Northwestern's hopes of improving on last year's football record of four victories, two defeats and two ties may be stymied by the strong schedule which confronts the Wildcats this fall.

The eight-game card again includes six conference teams, four of which finished in the first division of last year's race. The Big Ten teams on the Wildcat schedule in the order they will be met are Ohio State, Wisconsin, Illinois, Minnesota, Purdue and Iowa.

Two Non-Conference Games

Non-conference games include the opener with Oklahoma, October 7, and Notre Dame, November 18. The Oklahoma game will be the first ever played between the two schools and will be in the nature of a homecoming for Coach Tom Stidham who was assistant coach at Northwestern for eight years before he joined the Sooner's staff in 1935.

Oklahoma was one of the outstanding teams in the country last year, winning the Big Six championship with ten straight victories. The only loss suffered was to Tennessee in the Orange bowl game at Miami. All but two of last year's regulars return, plus the addition of a number of outstanding sophomores.

Illini Homecoming Guests

Illinois will be the homecoming guests of the Wildcats this year just as they have been on alternate years for the past ten seasons. Wisconsin, which handed Northwestern its only conference defeat last year will be the Dad's Day opponent.

Purdue's Boilermakers return to the schedule after a year's absence. Their last appearance at Dyche stadium resulted in a dramatic 14 to 7 victory for the Purple when Fred Vanzo returned an intercepted pass 65 yards to the 12 yard line where he fumbled on being tackled. The ball bounded over the goal line where Nick Cutlich fell on it for the winning touchdown.

Another new Big Ten opponent this year will be Iowa which hasn't appeared on the Wildcat schedule since 1936 when Northwestern triumphed 18 to 7. The game with the Hawkeyes will wind up the schedule on November 25.

Tough Games Away

Away from home games this year are Ohio State, Minnesota and Notre Dame. The Buckeyes who held the Purple to a scoreless tie last year will be met at Columbus on October 14, the second game of the season. Minnesota will be met at Minneapolis, November 4. The Wildcats handed the Gophers their only conference loss of the 1938 season by a score of 6 to 3.

The Wildcats will make their bi-annual visit to South Bend on November 18 for the Notre Dame game. The Irish won last year's thriller at Dyche stadium, 9 to 7,

of the most important factors in traffic accidents. Emergencies, which could be handled easily at forty or fifty miles per hour, become fatal at sixty or seventy. Caution in the country, please!

Who lies here?
 Don't you know?
 A gent who thought
 "Stop" means "slow."

when Hofer intercepted a pass and returned it for a touchdown.

The complete eight game schedule:

October 7—Oklahoma at Evanston
 October 14—Ohio State at Columbus
 October 21—Wisconsin at Evanston
 October 28—Illinois at Evanston
 November 4—Minnesota at Minneapolis
 November 11—Purdue at Evanston
 November 18—Notre Dame at South Bend
 November 25—Iowa at Evanston

Where Gargoyles Leer in Mexico

Although Spanish and Mexican religious art and architecture rely on exaggeration for emotional effects, Mexico curiously enough has few gargoyles such as may often be seen in France, says Douglas Malcolm of the American Express Travel service. The travel service is featuring weekly tours to Mexico throughout the summer.

"Of the few churches boasting gargoyles in Mexico, perhaps that of Santa Rosa de Viterbo in Quertaro is most famous," Malcolm states. "This structure is adorned with many of these huge, hideous faces, with their startling eyes, protruding tongues and grimaces of fear. The masks were set into the buttresses of the church by the Quertaro-born architect Eduardo de Tresguerras, who was said to have given a huge sum extorted from smugglers for the building of the church."

Indian artists are believed to have carved the gargoyles of the Church of Santa Rosa.

PRESENTED SOMBRERO

Ann Morris received a large Texas sombrero covered with autographs, as a present from fans in her old home town of Dallas, Texas. The hat was delivered to her on the set of "Henry Goes Arizona."

VILLAGE OF KENILWORTH

NOTICE FOR BIDS

Notice is hereby given that sealed bids for surface treatment of approximately 15,000 square yards of certain bituminous pavements in the Village of Kenilworth will be received by the Village of Kenilworth at the Village office up to two o'clock P. M., August 31, 1939. Bidding blanks may be obtained at the Kenilworth Village Office. The Village Board reserves the right to reject any or all bids.
