Recreation News

OPEN FIFTH SEASON

The Wilmette Community Center opened its fifth season Wednesday, November 1, and according to Daniel M. Davis, director of Recreation, the registrations for the many activities indicate the community center is headed for its most successful season.

The first square dance of the season was held Thursday night, November 2, and was voted a huge success by those who attended.

Mrs. Catherine Coats, who is in charge, is an excellent square dance caller and, with the assistance of the public address system, her calls could be heard in any part of the room. The music was the best we have had and in all it was a grand evening.

These square dances are to be held every Thursday evening from 8 to 11 p.m. Better come up to the Center tonight for a good time!

ADULT TABLE TENNIS CLUB

Come on, all you ardent table tennis players, Community Center

launches a membership race. A gold paddle pin will be given to the individual person who signs up the most members by the first of January.

The club will meet on Wednesday evenings from 7 to 10 p.m.

A club will be formed December 1 and officers elected. The officers will have complete charge of tournaments and team matches with North Shore and Chicago clubs.

There is no fee asked for the use of the room, therefore, there will have to be a sufficient demand if you fans want the room reserved for you.

The lighting will be fixed to meet the demands of the club.

We invite the feminine fans also to make this their club night. Wednesday night, 7 to 10 p.m.

GET ACQUAINTED PARTY

Mike: A party! O boy, when and where?

Ike: At 4:30 tomorrow afternoon at Community Center.

Mike: What kind of party are they going to have?

Ike: They call it a "Get Acquainted party." You know, come and meet the old gang and also the new gang.

Mike: Swell, let's tell Joe and Johnnie. I know they would like to go.

Ike: They are going to have guessing contests: like how many beans in a bottle, how many seeds on an ear of corn. It sounds like a swell party to me.

Mike: Any eats?

Ike: Of course, who ever heard of a party without eats. They are going to have a pop-corn feast, and boy O boy, do I love pop corn!

Mike: That's all I want to know. See you tomorrow at 4:30.

"LET IT RAIN—LET IT POUR"

Forty girls between the ages of 10 and 13 turned out last Thursday evening for the season's first gymnasium class. Whether it be raining or a snow storm they are waiting for the doors to open at 7.

This class is very popular, with a varied program of marching, gymnastics, volleyball, kickball, social games, and folk dancing.

Every girl in Wilmette in the sixth, seventh and eighth grades is cordially invited to attend this class, which is an evening of fun.

This class meets at the Howard school gymnasium Thursday evenings, from 7 to 9 o'clock, under the sponsorship of the Wilmette Playground and Recreation board.

Come and bring a friend.

STORY HOUR

A Story Hour will be held Wednesday afternoon from 3:30 and 4:30. Children of all ages are invited to attend this hour of fascinating stories.

HANDICRAFT

Classes in papercraft, basket weaving and miscellaneous handicraft were formed during the past week.

A papercraft and basket weaving class will be held for girls under 12 years of age, Monday from 3:30 to 5.

Basket weaving conjures up untold hours of pleasure. Handy items such as wastebaskets, button baskets and flower baskets have been started by the boys and girls. There is a small fee for making these baskets. Now is the time to start making your Christmas gifts. A most treasured gift is a handmade gift.

A class in Handcraft is held on Wednesday from 4:30 to 5:30 for children under eight. The children have already started to think in terms of Christmas. Mexican belts, pot holders, tile silhouettes and initial pins are just a few of the many items which some persons will receive for a Christmas gift.

Variety of Activity

The Community Center Handicraft shop is offering a variety of handicrafts this year. You may select from woodcraft, reedcraft, papercraft, leathercraft and also that most fascinating model aircraft.

We expect to increase our facilities this year so that all children and young people will be taken care of.

Everyone who is interested in doing something creative with their minds and hands can enjoy a useful afternoon at our shop. The hours will be from 3 to 5:30 p.m. Tools are furnished for use in woodwork. Spend your spare moments at the Center and make some useful Christmas articles for Mother and Dad.

ASSEMBLY PROGRAMS

Miss Marjorie Rose Gilroy, an airlines stewardess, will speak at the assembly program to be held at Sears school in Kenilworth at 9 o'clock Monday morning, November 13. The lecture will be illustrated.
