During the series, Richard and a fellow sophomore, David George, won first place at the invitation regatta held at Brown university.

Second Term of Evening School At New Trier to Begin Jan. 10

The first term of New Trier Evening school for adults which has more than doubled over the spring term started during the second semester of last year, was included Wednesday, December 6.

The classes which are now finishing their first eight weeks of work at New Trier High school have been favored with the continuity of attendance and the students who have enrolled in courses have shown a great interest in the work provided for them. Courses in art, science, English, foreign languages, home economics, industrial arts, mathematics and social science have been in progress under competent instructors from the regular New Trier faculty. There is every reason to believe that the students now enrolled will continue their subjects in the new term starting January 10.

Plan New Courses

Harry Herron, director, announces that several new courses have been requested and it is expected that the curriculum will be much enlarged with the new registration which starts immediately after the holidays. There is considerable enthusiasm indicated for new courses, particularly in the field of navigation, psychology, and photography. The latter course was offered during the first term but people who were interested were slow in getting their group together so that it is probable that a course will be more easily formed during the next term. It is

also expected that there will be a minimum enrollment in commercial law and perhaps in music appreciation which two courses were not quite adequate in enrollment last term to permit classes to be formed.

Many students are wondering whether they may enter as beginners in typing, shorthand foreign languages etc. While it is true that the classes are well under way, nevertheless the nature of the work is such that it will be possible for beginners to join the class when they re-open on January 10.

It is expected that the large enrollment of 256 for the first term will be substantially increased by new students entering the various courses which are already established.

The tuition fee for the second eight weeks term which extends from January 10 to March 6, inclusive, will be \$4 for eight weeks of instruction which is the same as was charged for the first term. Classes will meet Wednesday nights, only, from 7:30 to 9:30 o'clock. New students who have not yet investigated the possibilities and opportunities provided by New Trier Evening school are invited to telephone the office of the school on any school day between the hours of 9 and 11 a.m. or 2 to 4 p.m.

Theta Upsilon Rho Will Give Charity Formal Ball Dec. 28

Members of Theta Upsilon Rho, college age young peoples group of the Wilmette Methodist church, were busy this week preparing for their annual charity ball formal dance to be given at the Shawnee Country club on December 28.

Music for the evening will be furnished by Vincent Weis and his orchestra, and a complete floor show is being planned. Gordon Wells, 1508 Forest avenue, Wilmette, is executive chairman of the dance.

Shirley Pearson and William Buge are in charge of the patron's program, a special booklet being published for the dance. Phil Hoelz is decorations adviser, and George Williams is finance chairman. Other members are Phil Osborn, Marian Goode, and Howard Decker.

First tickets for the dance went to Ted Hosking of Omaha, Neb., and Earl B. Terrill of Wilmette. Patrons for the Ball include Mr. and Mrs. Albert G. Ackermann, and Z. A. Parkhurst.
