A New Type of Building Service for Home Owners, Architects, Contractors

A distinctly modern service designed to make it easier, far more convenient, and to give you more for your building dollar.

WE INVITE YOU TO VISIT OUR DISPLAY ROOM

Any time at your convenience you may visit this display room with all the privacy desired. Here you may visualize a complete home, and the practicability of the various materials we have on display. Many attractive small home designs and floor plans are displayed with finished models of small homes built to scale. There are numerous suggestions for remodeling.

In our Housing Guild display room you may see and learn about all the advantages of modern building and materials . . . by the kind of work you want done, accurately priced. Financed through FHA or private funds. Easy monthly payments if desired.
